Matthias Bauer,Angelika Zirker,2024-09-05 This wide ranging collection reflects on the various motivations that caused the Folio to come into being in 1623 7 years after Shakespeare s death and on how the now iconic book has been continually reimagined after its initial publication to the present day In honour of its original publication Shakespeare s First Folio 1623 2023 Text and Afterlives brings together a remarkable set of ground breaking essays by an international group of scholars From the beginning the publication that came to be called the First Folio was defined by the tension between the book as text and the book as a material object In this volume the individual contributions move between these two meanings in that they consider precursors to the First Folio in the form of reader assembled volumes the poetic identity of Shakespeare and how misfortunes and successes in the early modern printing house shaped Shakespeare s text Chapters examine the unpredictable and often surprising subsequent histories of the book that has even been given a sacred status and become the basis of Shakespeare s unique position in the history of literature They consider the afterlife of the text in relation to the reception of Shakespeare s First Folio in Spain its presence in and influence on James Joyce s Ulysses the role that Meisei University of Japan s Shakespeare Collection has played in the education and research of the institution and what the collection of 82 copies at the Folger Shakespeare Library in Washington DC tells us about the ongoing role of these books within the study of Shakespeare and the early modern period *Shakespeare and I - Mirroring All Façades of Reality* Manuel Augusto Antão,2016-09-08 In case there s anyone out there that has been reading the things I ve been writing on my blogs probably noticed that one of my projects for 2014 2015 and now 2016 was to read through all of Shakespeare s

Works Unfortunately in 2014 I wasn't able to start this project I read some Shakespeare stuff but no plays 2015 was where things really started shapping up Shakespeare wise But things were looking even better for 2016 On top of that 2016 commemorated 400 years since the death of William Shakespeare and this special anniversary year was a truly unique opportunity to complete my quest of reading the rest of his entire body of work
