De Voorzeide Leer De Heilige Schrift

Johann Lorenz von Mosheim

De Voorzeide Leer De Heilige Schrift:

De zeden-leer der Heilige Schrift; Johann Lorenz von Mosheim, 1770 *De Heilige Schrift* Cornelis Vonk, 1999

The Pastor's Library Robert A. Yost, 2017-09-21 In the spirit of Cyril Barber's classic work from the 1970s *The Minister's Library* Robert Yost provides students and pastors with expert guidance on building a working ministerial library From Old and New Testament languages lexical aids and grammatical tools to commentaries and theologies as well as pastoral resources Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses Far more than just a guide to commentaries as are so many works today this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies **The Urim and Thummim** Cornelis Van Dam, 1997 This is the first exhaustive study of the Urim and Thummim since 1824 and in this book Van Dam sets out to rectify that lack of attention He investigates all of the biblical data concerning this enigmatic oracular means of high priestly revelation and its connection in the historical books of the Old Testament with the common phrase to enquire of Yahweh God After surveying the history of interpretation and the treatment of the terms in the various versions and translations Van Dam examines the implications of similar oracular devices and priestly dress within the larger cultural context of the ancient Near East He places the Urim and Thummim within the context of divine revelation and human inquiry and the corollary prohibition of divination in ancient Israel He concludes that the breastpiece functioned as a pouch to hold the Urim and Thummim which therefore clearly were tangible objects Van Dam traces the use of this oracular instrument through the early monarchy under David from the time of Joshua through the early monarchy under David and its apparent disappearance by the time of the classical prophets where a shift to primarily verbal oracles occurs Concurrent with his study of the history of the oracle Van Dam interacts with current discussion on the nature and process of God's revelation to humankind The Sons of God in Genesis 6:1-4 J.J.T. Doedens, 2019-03-19 In *The Sons of God in Genesis 6:1-4* Jaap Doedens offers an overview of the history of exegesis of the enigmatic text about the sons of God the daughters of men and the giants First he analyzes the text of Gen 6:1-4 Subsequently he tracks the different exegetical proposals from the earliest exegesis until those of modern times He further provides the reader with an evaluation of the meaning of the expression sons of God in the Old Testament and the Ancient Near East In the last chapter he concentrates on the message and function of Gen 6:1-4 This volume comprehensively gathers ancient and modern exegetical attempts providing the means for an ongoing dialogue about this essentially complex and elusive passage Covenant: A Vital Element of Reformed Theology, 2021-11-29 *Covenant A Vital Element of Reformed Theology* provides a multi disciplinary reflection on the theme of the covenant from historical biblical theological and systematic theological perspectives The interaction between exegesis and dogmatics in the volume reveals the potential and relevance of this biblical motif It proves to be vital in building bridges between God's revelation in the past and the actual question of how to live with him today **Bijbel, dat is: de gansche Heilige Schrift,**

bevattende al de kanonijke boeken van het Oude en Nieuwe Testament ,1867 **Book of Daniel Henry O.**

Thompson,2020-10-28 Book of Daniel An Annotated Bibliography This volume is one of a series of bibliographies on the books of the Bible This is the first volume of the series of bibliographies described in the series introduction in this case on the Book of Daniel in the Old Testament OT or the Hebrew Scriptures fTanakh Scholars for these bibliographies have been drawn from across the Judeo Christian perspective as well as across doctrinal perspectives These bibliographies should be of value to students and faculty to laity and professional to religious and academic groups for undergraduate and graduate study They should serve a significant role as reference works in libraries for the public the university and religious groups as well as individuals *Bijbel, of De gansche Heilige Schrift, bevattende al de kanonijke boeken van het Oude en Nieuwe Testament*

,1834 You Only Peter Feenstra,2004-08 How would you react if an uninvited minister came to your congregation and preached an inflammatory message telling you that your worship and religious practices are blemished and defective Centuries ago the prophet Amos stepped across the border of Judah to proclaim words of warning to the northern kingdom of Israel He called them to return to worship and practices that reflected a correct understanding of who God is and what He was coming to do in Jesus Christ Amaziah a high profile priest of Bethel was not amused and he advised Amos to go back to his home and native land But God had other plans With a gripping and amazingly contemporary message the Lord speaks to our hearts as well As a popular commentary You Only conveys how God breaks down all forms of self styled worship so that His children would lean on the saving work of Christ alone
