

Study Guide - Unit 1: Types of Democracy

Week 6: Deliberative Democracy

I. Plato's Republic

A. Regimes

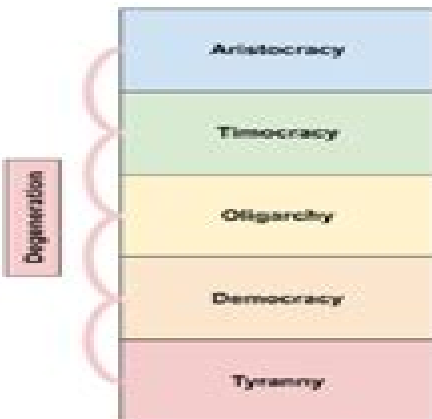

1. **Regime**: a government, a system, or a planned way of doing things, especially one imposed from above

B. Plato's ideas on governance

1. Aristocracy (ruled by a philosopher-king)
 - a) Dominated by virtuous and scholarly rulers
 - b) Degenerates when governance includes people of an "inferior nature"
 - c) Desire for glory and virtue
2. Timocracy (ruled by the dutiful)
 - a) The art of war is glorified further than when under an aristocracy, courage is emphasized
 - b) Degenerates when the desire for wealth outweighs other virtues
3. Oligarchy (ruled by the wealthy)
 - a) Dominated by the "desiring element" and money
 - b) Held up by one virtue, temperance and moderation (through them, greed may be facilitated more easily)
 - c) Degenerates as class divides grow, the poor majority overthrowing the wealthy minority
4. Democracy (ruled by the lower class, i.e. "the poor")
 - a) **Demagoguery**: political activity or practices that seek support by appealing to the desires and prejudices of ordinary people rather than by using rational argument
 - (1) Results in exploitation, lower class getting bigger and bigger
 - b) Degenerates when no one left in power has any virtue
5. Tyranny (ruled by chaos)
 - a) The citizenship is enslaved to the tyrant, overwhelmed by his base desires without restraint

C. The Soul of Regimes

1. Aristocracy
 - a) May become detached from political material affluence
2. Timocracy
