Dialects And Education Issues And Answers:

Dialects and Education Walt Wolfram, Donna Christian, 1989 Dialects in Schools and Communities Carolyn Temple Adger, Walt Wolfram, Donna Christian, 2014-05-22 This book describes dialect differences in American English and their impact on education and everyday life It explores some of the major issues that confront educational practitioners and suggests what practitioners can do to recognize students language abilities support their language development and expand their knowledge about dialects Topics addressed include popular concerns about the nature of language variation characteristic structures of different dialects various interactive patterns characteristic of social groups the school impacts of dialect differences in speaking writing and reading including questions about teaching Standard English and the value of dialect education in schools to enable students to understand dialects as natural and normal language phenomena Changes in the Second Edition In this edition the authors reconsider and expand their discussion of many of the issues addressed in the first edition and in other of their earlier works taking into account especially the research on dialects and publications for audiences beyond linguistics that have appeared since the first edition This edition is offered as an updated report on the state of language variation and education in the United States Dialects in Schools and Communities is rooted in questions that have arisen in workshops surveys classes discussion groups and conversations with practitioners and teacher educators It is thus intended to address important needs in a range of educational and related service fields As an overview of current empirical research it synthesizes current understandings and provides key references in this sense it is a kind of translation and interpretation in which the authors goal is to bring together the practical concerns of educators and the vantage point of sociolinguistics No background in linguistics or sociolinguistics is assumed on the part of the reader This volume is intended for teacher interns and practicing teachers in elementary and secondary schools early childhood specialists specialists in reading and writing speech language pathologists special education teachers and students in various language specialties

Language Diversity and Education David Corson, 2000-10 Graduate level text for students of language provides a current well informed overview and theoretical perspective on the issue of equitable educational treatment for students from diverse language backgrounds **Identity and Dialect Performance** Reem Bassiouney, 2017-10-24 Identity and Dialect

Performance discusses the relationship between identity and dialects It starts from the assumption that the use of dialect is not just a product of social and demographic factors but can also be an intentional performance of identity Dialect performance is related to identity construction and in a highly globalised world the linguistic repertoire has increased rapidly thereby changing our conventional assumptions about dialects and their usage The key outstanding feature of this particular book is that it spans an extensive range of communities and dialects Italy Hong Kong Morocco Egypt Syria Japan Germany The Sudan The Netherlands Nigeria Spain US UK French Guiana Colombia and Libya Language Diversity in the Classroom John Edwards, 2010 This book provides comprehensive coverage of language contact in classroom settings

Particularly highlighted are the range and implications of attitudes towards languages and dialects with close attention to nonstandard varieties studies of Black English foreign language teaching and learning as well as broad consideration of the assumptions and intentions underpinning bilingual and multicultural education

Knowledge about language Leo Van Lier, David Corson, 1997 This book contains a collection of more than 20 up to date overviews of a variety of aspects of language awareness and the role of metalinguistic knowledge in language development and education The contributions offer a balanced perspective on a range of topics including first and second language acquisition classroom talk language use in the multicultural work place translation Esperanto whole language historical perspectives from the UK and the Netherlands critical pedagogy the education of language teachers the teaching of grammar phonology and writing The book offers a comprehensive perspective on metalinguistic knowledge and processes and presents a coherent argument for building an element of language awareness into the language curriculum at all educational levels

Sociolinguistics and Language Teaching Sandra Lee McKay, Nancy H. Hornberger, 1996 This text provides an introduction to the field of sociolinguistics for second and foreign language teachers This book provides an introduction to the field of sociolinguistics for second and foreign language teachers Chapters cover the basic areas of sociolinguistics including regional and social variations in dialects language and gender World English and intercultural communication Each chapter has been specially written for this collection by an individual who has done extensive research on the topic explored This is the first introductory text to address explicitly the pedagogical implications of current theory and research in sociolinguistics The book will also be of interest to any teachers with students from linguistically diverse backgrounds

Dialects and American English Walt Wolfram, 1991

Pidgins, Creoles and Nonstandard Dialects in Education Jeff Siegel, 1992

Second Dialect Acquisition Jeff Siegel, 2010-08-19 What is involved in acquiring a new dialect for example when Canadian English speakers move to Australia or African American English speaking children go to school How is such learning different from second language acquisition SLA and why is it in some ways more difficult These are some of the questions Jeff Siegel examines in this book which focuses specifically on second dialect acquisition SDA Siegel surveys a wide range of studies that throw light on SDA These concern dialects of English as well as those of other languages including Dutch German Greek Norwegian Portuguese and Spanish He also describes the individual and linguistic factors that affect SDA such as age social identity and language complexity The book discusses problems faced by students who have to acquire the standard dialect without any special teaching and presents some educational approaches that have been successful in promoting SDA in the classroom
