

Did the first Christians **worship Jesus?**

The New Testament evidence

JAMES D. G. DUNN

Did The First Christians Worship Jesus The New Testament Evidence

George Natar

Did The First Christians Worship Jesus The New Testament Evidence:

Did the First Christians Worship Jesus? James D. G. Dunn, 2010-07-15 To answer the title question effectively requires more than the citing of a few texts we must first acknowledge that the way to the answer is more difficult than it appears and recognize that the answer may be less straightforward than many would like The author raises some fascinating yet vexing questions What is worship Is the fact that worship is offered to God or a god what defines him or her as God What does the act of worship actually involve The conviction that God exalted Jesus to his right hand obviously is central to Christian recognition of the divine status of Jesus But what did that mean for the first Christians as they sought to reconcile God's status and that of the human Jesus Perhaps the worship of Jesus was not an alternative to worship of God but another way of worshiping God The questions are challenging but readers are ably guided by James Dunn one of the world's top New Testament scholars

Origins of New Testament Christology Stanley E. Porter, Bryan R. Dyer, 2023-03-21 The early followers of Jesus drew from Jewish and Greco-Roman traditions and titles to help them understand and articulate who Jesus was This book opens a window into the Christology of the first century by helping readers understand the eleven most significant titles for Jesus in the New Testament Lord Son of Man Messiah Prophet Suffering Servant Son of God Last Adam Passover Lamb Savior Word and High Priest The authors trace the history of each title in the Old Testament Second Temple literature and Greco-Roman literature and look at the context in which the New Testament writers retrieved these traditions to communicate their understanding of Christ The result is a robust portrait that is closely tied to the sacred traditions of Israel and beyond that took on new significance in light of Jesus Christ This accessible and up-to-date exegetical study defends an early high Christology and argues that the titles of Jesus invariably point to an understanding of Jesus as God In the process it will help readers appreciate the biblical witness to the person of Jesus

The Messianic Theology of the New Testament Joshua W. Jipp, 2020-11-12 One of the earliest Christian confessions that Jesus is Messiah and Lord has long been recognized throughout the New Testament Joshua Jipp shows that the New Testament is in fact built upon this foundational messianic claim and each of its primary compositions is a unique creative expansion of this common thread Having made the same argument about the Pauline epistles in his previous book *Christ Is King: Paul's Royal Ideology* Jipp works methodically through the New Testament to show how the authors proclaim Jesus as the incarnate crucified and enthroned messiah of God In the second section of this book Jipp moves beyond exegesis toward larger theological questions such as those of Christology soteriology ecclesiology and eschatology revealing the practical value of reading the Bible with an eye to its messianic vision The Messianic Theology of the New Testament functions as an excellent introductory text honoring the vigorous pluralism of the New Testament books while still addressing the obvious question what makes these twenty-seven different compositions one unified testament

Christ is God Over All George Carraway, 2013-08-15 This book is written against the background of Christological scholarly thought since the publication of *Kyrios Christos* by Bousset

Carraway argues that the syntax of Romans 9 5 suggests Paul meant to refer to Jesus as God and that his statement is not out of place at the beginning of Romans 9 11 He addresses objections to this conclusion responding to those who claim that a monotheist such as Paul would not refer to Jesus as God and to those who point out that Paul does not elsewhere identify Jesus as God After demonstrating that there is a connection between Romans 9 5 and the remainder of Romans 9 11 the argument continues by tying Paul's monotheistic statements regarding the one God of both Jews and Gentiles in Romans 3 the concept of the one Lord of all in Romans 10 5 13 The book concludes that the redeemer from Zion in 11 25 27 is Christ and is the same as the Christ from Israel in 9 5

Functions of Psalms and Prayers in the Late Second Temple Period

Mika S. Pajunen, Jeremy Penner, 2017-07-24 When thinking about psalms and prayers in the Second Temple period the Masoretic Psalter and its reception is often given priority because of modern academic or theological interests This emphasis tends to skew our understanding of the corpus we call psalms and prayers and often dampens or mutes the lived context within which these texts were composed and used This volume is comprised of a collection of articles that explore the diverse settings in which psalms and prayers were used and circulated in the late Second Temple period The book includes essays by experts in the Hebrew bible the Dead Sea scrolls Apocrypha and Pseudepigrapha and the New Testament in which a wide variety of topics approaches and methods both old and new are utilized to explore the many functions of psalms and prayers in the late Second Temple period Included in this volume are essays examining how psalms were read as prophecy as history as liturgy and as literature A variety of methodologies are employed and include the use of cognitive sciences and poetics linguistic theory psychology redaction criticism and literary theory

The Apostle Paul and the Christian Life Scot

McKnight, Joseph B. Modica, 2016-02-23 The new perspective on Paul an approach that seeks to reinterpret the apostle Paul and his letters against the backdrop of first century Judaism has been criticized by some as not having value for ordinary Christians living ordinary lives In this volume world renowned scholars explore the implications of the new perspective on Paul for the Christian life and church James D G Dunn N T Wright Bruce Longenecker Scot McKnight and other leading New Testament scholars offer a response to this question How does the apostle Paul understand the Christian life The book makes a fresh contribution to the new perspective on Paul conversation and offers important new insights into the orientation of the Christian life

Israel's Lord David E. Wilhite, Adam Winn, 2024-07-15 Israel's Lord YHWH as Two Powers in Second

Temple Literature addresses the nature of Jewish monotheism in Second Temple literature advancing an argument that much of the literature reflects the existence of two powers in heaven that are both rightly understood as YHWH To this end Wilhite and Winn review various figures such as God's Word God's Wisdom the Angel of the Lord the Son of Man and others that bear features closely associated with the God of Israel Using criteria related to these features they argue that most though not all of these figures are rightly identified as the figure who appeared in Israel's scriptures and was called YHWH Such a two powers paradigm is relevant for understanding early Christian commitments regarding Jesus The debate about Jesus divinity

depends in large part on what options were available for the earliest Christians when considering his titles and status The authors contend that with such a two powers paradigm available to the earliest Christians it should inform any reading of New Testament texts and their varying depictions of Jesus as Lord **Matthew and the Mishnah** Akiva Cohen,2016-06-10 Akiva Cohen investigates the general research question how do the authors of religious texts reconstruct their community identity and ethos in the absence of their central cult His particular socio historical focus of this more general question is how do the respective authors of the Gospel according to Matthew and the editor s of the Mishnah redefine their group identities following the destruction of the Second Temple Cohen further examines how after the Destruction both the Matthean and the Mishnaic communities found and articulated their renewed community bearings and a new sense of vision through each of their respective author redactor s foundational texts The context of this study is thus that of an inner Jewish phenomenon two Jewish groups seeking to re establish their community identity and ethos without the physical temple that had been the cultic center of their cosmos *Early Church Understandings of Jesus as the Female Divine* Sally Douglas,2016-05-19 Central to debates about Jesus is the issue of whether he uniquely embodies the divine While this discussion continues unabated both those who affirm and those who dismiss Jesus divinity regularly eclipse the reality that in many of the earliest strands of the Christian tradition when Jesus divinity is proclaimed Jesus is imaged as the female divine Sally Douglas investigates these early texts excavates the motivations for imaging Jesus as Woman Wisdom and the complex reasons that this began to be suppressed in the 2nd and 3rd centuries The work concludes with an exploration of the powerful implications of engaging with the ancient proclamation of Jesus Woman Wisdom in contemporary context **Son of God by Divine Hereditary Methodology** George Natar,2022-12-31 This book proposes a methodology for the conception of Jesus by a human mother and a divine father The method makes use of scientific genetic processes which operate in the conception of any human being but with a divine contribution Various currently held theories of methods by which Jesus appeared on earth are shown to lack evidence Arising from this method Jesus sonship from God is proposed to have been literal and not metaphorical as is suggested by current theology Therefore Jesus is presented in this writing as the literal son of God being both human and divine As such he was the unique and suitable offering to God to make atonement for the obvious wrong doing of human beings If this methodology is correct the way a trinity of divine persons may be perceived is suggested

Decoding **Did The First Christians Worship Jesus The New Testament Evidence**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring.
