Diaries 1915 1923 Behind The Mask:

Sergey Prokofiev Diaries, 1915-1923 Sergey Prokofiev, 2008 To go to America Here was wretchedness there life brimming over Such was the flag under which I greeted the New Year Surely it will not disappoint my hopes With these words Sergey Prokofiev closed his diary for the revolutionary year 1917 He would not be disappointed by 1918 On August 24 after an epic trek that carried him across strife torn Russia to the Pacific and the breadth of North America he stepped from a stifling Grand Central Terminal onto the streets of New York This marked the beginning of his exile which would last with one brief exception until 1934 This second volume of Prokofiev's diary records an astonishing record of artistic accomplishment against a backdrop of cataclysmic change The composer dodges gunfire in Petrograd during the February Revolution but as a rule pays attention to political events only as they affect him personally Composition and performance are the main concerns along with the persistent and ultimately failed struggle to arrange a performance of his opera *The Gambler* As in his Conservatory years he also reveals his own aesthetic principles as he reacts to the work of others sometimes with dark humor bored out of my life by Mahler's 7th Symphony it is like kissing a still born child The years in America were difficult Always in the shadow of Rachmaninoff he struggled to establish himself as composer and piano virtuoso He details the seemingly endless but finally successful battle with the Chicago Civic Opera to mount *Love for the Three Oranges* falls in love with the young Stella Adler and begins work on his third opera *The Fiery Angel* Two years later he is in Paris where his music is more warmly received than in Russia or America Here the galaxy of connections grows exponentially as his fame expands As always he documents his encounters with sharp often sardonic insight The pages of the diary teem with the names of the period's most celebrated artists There are the Russians Diaghilev Chaliapin Kossevitzy Stravinsky Mayakovsky a fearsome apache Meyerhold and Bakst But Prokofiev's world now expands to include Ravel Szymanowski Marinetti Mary Garden Cocteau Artur Rubenstein and many others **Lina & Serge** Simon

Morrison, 2017-11-01 This account of the renowned composer's neglected wife including her years in a Soviet prison is a story both riveting and wrenching Kirkus Reviews starred review Serge Prokofiev was one of the twentieth century's most brilliant composers yet is an enigma to historians and his fans Why did he leave the West and move to the Soviet Union despite Stalin's crimes Why did his astonishing creativity in the 1930s soon dissolve into a far less inspiring output in his later years The answers can finally be revealed thanks to Simon Morrison's unique and unfettered access to the family's voluminous papers and his ability to reconstruct the tragic riveting life of the composer's wife Lina Morrison's portrait of the marriage of Lina and Serge Prokofiev is the story of a remarkable woman who fought for survival in the face of unbearable betrayal and despair and of the irresistibly talented but heartlessly self absorbed musician she married Born to a Spanish father and Russian mother in Madrid at the end of the nineteenth century and raised in Brooklyn Lina fell in love with a rising star composer and defied convention to be with him courting public censure She devoted her life to Serge and art

training to be an operatic soprano and following her brilliant husband to Stalin's Russia. Just as Serge found initial acclaim before becoming constricted by the harsh doctrine of socialist realist music, Lina was at first accepted and later scorned, ending her singing career. Serge abandoned her and took up with another woman. Finally, Lina was arrested and shipped off to the gulag in 1948. She would be held in captivity for eight awful years. Meanwhile, Serge found himself the tool of an evil regime to which he was forced to accommodate himself. The contrast between Lina and Serge is one of strength and perseverance versus utter self-absorption, a remarkable human drama that draws on the forces of art, sacrifice, and the struggle against oppression. Readers will never forget the tragic drama of Lina's life and never listen to Serge's music in quite the same way again.

Goodbye Russia Fiona Maddocks, 2024-01-02. The moving story of Rachmaninoff's years in exile and the composition of his last great work set against a cataclysmic backdrop of two world wars and personal tragedy. In 1940, Sergei Rachmaninoff, living in exile in America, broke his creative silence and composed a swan song to his Russian homeland, his iconic *Symphonic Dances*. What happened in those final haunted years and how did he come to write his farewell masterpiece? Rachmaninoff left Petrograd (now St. Petersburg) in 1917 during the throes of the Russian Revolution. He was forty-four years old at the peak of his powers as composer, conductor, performer, moving in elite Tsarist circles as well as running the family estate, his refuge and solace. He had already written the music which today has made him one of the most popular composers of all time: the second and third Piano Concertos and two symphonies. The story of his years in exile in America and Switzerland has only been told in passing. Reeling from the trauma of a life in upheaval, he wrote almost no music and quickly had to reinvent himself as a famed virtuoso pianist, building up untold wealth and meeting the stars from Walt Disney and Charlie Chaplin to his Russian contemporaries and polar opposites, Prokofiev and Stravinsky. Yet the melancholy of leaving his homeland never lifted. Using a wide range of sources, including important newly translated texts, Fiona Maddocks's immensely readable book conjures impressions of this enigmatic figure, his friends, and the world he encountered. It explores his life as an emigré artist and how he clung to an Old Russia which no longer existed. That forging of past and present meets in his *Symphonic Dances*, 1940, his last composition written on Long Island, shortly before his death in Beverly Hills, surrounded by a close-knit circle of exiles. *Goodbye Russia* is a moving and prismatic look at Rachmaninoff and his iconic final work.

Sergei Prokofiev Christina Guillaumier, 2024-10-13. A critical biography of the twentieth-century Russian composer and pianist. This wide-ranging and incisive biography unfolds the life and work of the much-loved twentieth-century composer Sergei Prokofiev. In it, Christina Guillaumier reveals Prokofiev's surprisingly optimistic spirit amidst a tumultuous backdrop of geopolitical chaos and ever-shifting musical landscapes. Guillaumier breathes life into the people and worlds that shaped Prokofiev's complicated life, capturing the unwavering passion of a musical genius whose love for his craft transcended all barriers. This new critical account is a vivid portrait of the artist's indomitable drive.

Sergei Rachmaninoff Rebecca Mitchell, 2022-06-20. Drawing extensively on Russian language sources, a concise yet comprehensive

survey of the life and work of one of classical music's great composers. Unquestionably one of the most popular composers of classical music, Sergei Rachmaninoff has not always been so admired by critics. Detractors have long perceived Rachmaninoff as part of an outdated Romantic tradition from a bygone Russian world aloof from the modernist experimentation of more innovative contemporaries such as Igor Stravinsky. In this new assessment, Rebecca Mitchell resituates Rachmaninoff in the context of his time, bringing together the composer and his music within the remarkably dynamic era in which he lived and worked. Both in Russia and later in America, Rachmaninoff and his music were profoundly modern expressions of life in tune with an uncertain world. This concise yet comprehensive biography will interest general readers as well as those more familiar with this giant of Russian classical music.

The Bedbug Peter Day, 2015-07-09 Klop Ustinov was Britain's most ingenious spy, but he was never licensed to kill. Instead, he was authorised to bemuse and beguile his enemies into revealing their deepest, darkest secrets. From the Russian Revolution to the Cold War, he bluffed and tricked his way into the confidence of everyone from Soviet commissars to Gestapo Gruppenführer. Although his official codename was U35, he was better known as Klop, meaning Bedbug, a name given to him by a very understanding wife on account of his extraordinary capacity to hop from one woman's bed to another in the King's service. Frequenting the social gatherings of Europe under the guise of innocent bon viveur, he displayed a showman's talent for entertaining a traitor's son, the actor Peter Ustinov, undoubtedly inherited and captivated unsuspecting audiences while scavenging their secrets. Using exciting anecdotes and first-hand accounts, Peter Day explores the fascinating life of one of espionage's most inventive and memorable characters. **The Bedbug** was a master of uncovering the truth through telling tales; now his own tale can be told.

Dostoevsky's The Gambler Svetlana Evdokimova, 2024-02-02 Fyodor Dostoevsky's novel *The Gambler* is one of the most profound literary works to treat the phenomenon of gambling with a remarkable depth of psychological analysis and a wide-ranging cultural and philosophical exploration of obsessive behavior from addictive gambling to erotic passion. This novel delves into the cultural, psychological, and philosophical issues surrounding games of chance, such as temporality, freedom, rebellion, choice, uncertainty, determinism, and creativity. This is the first book in English dedicated to *The Gambler*. This volume considers the phenomenon of gambling from a broad interdisciplinary perspective, focusing not only on medical and psychological concepts of gambling as pathology but also on the broader cultural, philosophical, religious, and aesthetic aspects of the problem. What triggers fascination with risk-taking and various aleatory activities? What are the relations between gambling, play, and creativity? Can gambling be seen as a form of social or existential rebellion and protest, or even a quest for freedom? Scholars from a variety of fields, including psychiatry, psychology, philosophy, literary studies, and musicology, have contributed to this volume and analyzed Dostoevsky's view of gambling as a fundamental problem of human existence with implications in the realms of philosophy, religion, and aesthetics.

The Creative Labor of Music Patronage in Interwar France Louis K. Epstein, 2022 Challenges the longstanding perception that modernist composers made art, not money, and that those who

made money somehow failed to make art Patrons have long appeared as colorful exceptional figures in music history but this book recasts patrons and patronage as creative forces that shaped the sounds and meanings of new French music between the world wars Far from mere sources of funding early twentieth century patrons collaborated closely with composers treating commissions for new music as opportunities to express their own artistry Patrons developed new pathways to participate in music making going beyond commissions to establish ballet companies manage performance venues and establish state programs The impressive variety of patronage activities led to an explosion of new music as well as new styles and isms indelibly marking the repertoire that this book examines including a number of pieces frequently heard in concert halls today In addition to offering new perspectives on well known French repertoire this book challenges conceptions of patronage as a bygone phenomenon Complementing a dwindling cast of aristocratic patrons were new ranks of music publishers impresarios state bureaucrats opera directors and others capitalizing on their savings social connections and artistic vision to bring new music into the world In chapters on French discourse around patronage aristocratic commissions the stimulus provided by the interwar dance craze music publishing the Paris Op ra state intervention in French musical life and transatlantic musical exchanges the book blends cultural history with primary source study and music analysis It not only improves our understanding of French musical life and culture during the early twentieth century but also supplies us with essential insights into the ways modern music emerged at the intersection of music composition aesthetic and national politics and the creative labor of patrons The New Criterion ,2009 **The Great War for Peace** William

Mulligan,2014-05-27 The war to end all wars rings out a bitter mockery of the First World War often viewed as the seminal catastrophe of the twentieth century the crucible from which Soviet Fascist and Nazi dictatorships emerged Today s conventional wisdom is that the Great War attuned the world to large scale slaughter that post war efforts directed by the Treaty at Versailles were botched that unbridled new nationalisms made the Second World War inevitable This provocative book refutes such interpretations arguing instead that the first two decades of the twentieth century and the First World War in particular played an essential part in the construction of a peaceful new order on a global scale Historian William Mulligan takes an entirely fresh look at the aspirations of statesmen soldiers intellectuals and civilians who participated in the war and at the new ideas about peace that were forged While the hope for ultimate peace may have legitimized and even intensified the violence of the war it also broadened conventional ideas about international politics and led to the emergence of such institutions as the League of Nations and the International Labour Organization The experience of the First World War reinforced humanitarian concerns in political life and focused attention on building a better and more peaceful world order Mulligan shows Such issues resonate still in the political and diplomatic debates of today

Getting the books **Diaries 1915 1923 Behind The Mask** now is not type of challenging means. You could not by yourself going past ebook increase or library or borrowing from your friends to gain access to them. This is an unconditionally simple means to specifically get guide by on-line. Diaries 1915 1923 Behind The Mask Introduction

In the digital age, access to information has become easier than ever before. The ability to download Diaries 1915 1923 Behind The Mask has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Diaries 1915 1923 Behind The Mask has opened up a world of possibilities. Downloading Diaries 1915 1923 Behind The Mask provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Diaries 1915 1923 Behind The Mask has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Diaries 1915 1923 Behind The Mask. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Diaries 1915 1923 Behind The Mask. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Diaries 1915 1923 Behind The Mask, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the

ability to download Diaries 1915 1923 Behind The Mask has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Diaries 1915 1923 Behind The Mask Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Diaries 1915 1923 Behind The Mask is one of the best book in our library for free trial. We provide copy of Diaries 1915 1923 Behind The Mask in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Diaries 1915 1923 Behind The Mask. Where to download Diaries 1915 1923 Behind The Mask online for free? Are you looking for Diaries 1915 1923 Behind The Mask PDF? This is definitely going to save you time and cash in something you should think about.
