Dialogue With A Christian Proselytizer:

Dialogue with a Christian Proselytizer Todd Allen Gates, 2010-09-15 This book is a dialogue between a Christian proselytizer and a skeptic a skeptic who does not argue with the proselytizer but seeks to clarify why the Christian believes he know what God s Word is The proselytizer identifies hes knowledge of the Divine as coming from three sources faith the Scriptures and the evidence of God in our physical surroundings Back cover

Pathways for Inter-Religious Dialogue in the Twenty-First Century Vladimir Latinovic, Gerard Mannion, Peter C. Phan, 2016-01-26 Without question inter religious relations are crucial in the contemporary age While most dialogue works on past and contemporary matters this volume takes on the relations among the Abrahamic religions and looks forward toward the possibility of real and lasting dialogue The book centers upon inter faith issues It identifies problems that stand in the way of fostering healthy dialogues both within particular religious traditions and between faiths The volume s contributors strive for a realization of already existing common ground between religions They engagingly explore how inter religious dialogue can be re energized for a new century

How to Know God Exists Ray Comfort, 2008-01-15 With the recent wave of books on atheism becoming New York Times best sellers the God debate is heating up Because of the implications it s the most significant question of all time Is there a God or isn t there In this compelling book Ray Comfort argues the case with simple logic and common sense If there is a God surely He

Muslims, Christians, and the Challenge of Interfaith Dialogue Jane I. Smith, 2007-10-11 The attacks of September 11 2001 instantly heightened the American public s sensitivity toward matters of religious difference Many Americans realized not only that non Muslims need to learn more about Islam but also that Muslims must better understand and articulate their own faith to themselves and others In this volume Jane Idleman Smith examines the current American Christian Muslim dialogue contextualized both through the history of Islam and of the contemporary West As we approach the sixth anniversary of 9 11 Smith dares to ask what progress has been made through this dialogue what happens when that dialogue fails and what direction it will take in the years to come Smith examines the recent theological writings of both Catholics and Protestants about dialogue and pluralism and shows that since 9 11 a few Muslim scholars in the West have also begun to write about these issues Now she argues many Christians and Muslims are expressing their desire to move beyond theological discussion into what is often called the dialogue of engagement As evidence she points to initiatives among young people women and African Americans as they attempt to find ways to work together in local projects of justice and community service Throughout the book one hears the personal voices of these Muslim and Christian participants in the American interfaith dialogue While many of the encounters between Islam and Christianity over the past 14 centuries have been peaceful Americans know little about the history of religious interaction beyond the Crusades or the fear Europe felt in the face of the invasions of the Turks This volume is intended to educate Americans about the great diversity of Muslims in this country while illustrating how Christians and Muslims are coming together not only to talk to

each other but to work together for the common good

The Wiley-Blackwell Companion to Inter-Religious Dialogue

Catherine Cornille, 2020-06-08 This comprehensive volume brings together a distinguished editorial team including some of the field's pioneers to explore the aims, practice and historical context of interfaith collaboration. Explores in full the background, history, objectives and discourse between the leaders and practitioners of the world's major religions. Examines relations between religions from around the world, moving well beyond the common focus on Christianity to also cover over 12 major religions. Features a wealth of case studies on contemporary interreligious dialogue. Charts a long-term shift away from a competitive rivalry between belief systems and a change in focus towards the more respectful, cooperative approach reflected in institutions such as the World Council of Churches. Includes up-to-date commentary on the growing dialogue of recent years, written by some of the leading figures working in the field of interfaith discourse.

FINDING INFINITE GOD IN JEWISH-CHRISTIAN DIALOGUE Vivian Anne Scarnati Scott, 2025-02-11 A Virtuous Path to GOD FINDING INFINITE GOD IN JEWISH CHRISTIAN DIALOGUE Behold I am the LORD the GOD of all flesh Is anything too wondrous for Me Jeremiah Nevi'im Prophets 32:27 The thought provoking ageless question above from GOD also answers every age of humanity Now in the third decade of our twenty-first Century today's expanding communication marvels while accelerating to future enterprises often become mindfully absent of the Godly source driving their intellectual capacity Jewish Christian interreligious dialogue travels those same highways of mind although at times hampered by prejudice depravity and indifference This theological work argues and advocates a best position for successful dialogue between two faiths grappling with the grave injustices and blood-stained persecutions of an incomprehensible unconscionable history that can only be resolved by GOD In recounting horrific facts from Holocaust Inquisition and other atrocities marring the beautiful life GOD intended these events had occurred even after meaningful Divine Prophetic Word warned of grave outcomes And in consequence GOD's omnipotence in rescuing His people is evidenced throughout history Somehow evil never prevailed The Scriptures remind us to seek and trust our loving Creator Who has faithfully kept His Covenants beyond space and time Such Divine reminders seed hope and fortitude to guard our rights and religion in this embattled world struggling against politically spate doctrines and limited laws failing race and freedom Tragically even in our new century massacres and mayhem borne out of evil persist afflicting our Churches Synagogues and homes Still while at times disharmony quells the joy of living there is no greater force or wonder than Infinite GOD Success in Jewish Christian dialogue just as good deeds for interfaith relations requires abiding respect for fellow humanity and a loving non-discriminating heart GOD's markers and signposts all lead to purposeful truth the trilateral pure virtuous and charitable road is the only way beyond an otherwise dark impious world into a luminous one a realm where humanity may share joyful dialogue and divinely planned spiritual destiny Ageless immutable Ten Commandments from GOD forged with basic precepts unchanged and following His first nurturing Seven Noahide Laws ground and inspire what religious scholars consider for valid communication essential for

interreligious dialogue Remarkably the Noahide Laws were defined as the bedrock of society by a Joint Resolution of the U S Congress on March 21 1991 see Preface section on The Rainbow Covenant GOD s sacred scriptural truths proclaimed by His prophets are resounded by heavenly minded theologians qualified to teach His Word The researched testimonial criteria given within this work yield beneficial recommendations for a best heavenly directed path for finding GOD in harmonious dialogue Six eminent contemporary theologians interviewed herein assembled equally from Jewish and Christian communities are joined with a renowned hierarchy of blessing and inspiration who nobly illuminate the way These virtuous champions who profess GOD s eternal truth while valiantly identifying winding disparities and dissidence contrary to His intended Plan acknowledge and communicate in their own humble and human understanding that indeed nothing is too wondrous for GOD

The SAGE Handbook of the Sociology of Religion James A Beckford, Jay Demerath, 2007-10-29 In their introduction to this Handbook the editors affirm Many sociologists have come to realise that it makes no sense now to omit religion from the repertoire of social scientific explanations of social life I wholeheartedly agree I also suggest that this wide ranging set of essays should become a starting point for such enquiries Each chapter is clear comprehensive and well structured making the Handbook a real asset for all those engaged in the field Grace Davie University of Exeter Serious social scientists who care about making sense of the world can no longer ignore the fact that religious beliefs and practices are an important part of this world This Handbook is a valuable resource for specialists and amateurs alike The editors have done an exceptionally fine job of incorporating topics that illuminate the range and diversity of religion and its continuing significance throughout the world Robert Wuthnow Princeton University At a time when religions are increasingly affecting and affected by life beyond the narrowly sacred sphere religion everywhere seems to be caught up in change and conflict In the midst of this contention and confusion the sociology of religion provides a rich source of understanding and explanation This Handbook presents an unprecedentedly comprehensive assessment of the field both where it has been and where it is headed Like its many distinguished contributors its topics and their coverage are truly global in their reach The Handbook s 35 chapters are organized into eight sections basic theories and debates methods of studying religion social forms and experiences of religion issues of power and control in religious organizations religion and politics individual religious behaviour in social context religion self identity and the life course and case studies of China Eastern Europe Israel Japan and Mexico Each chapter establishes benchmarks for the state of sociological thinking about religion in the 21st century and provides a rich bibliography for pursuing its subject further Overall the Handbook stretches the field conceptually methodologically comparatively and historically An indispensable source of guidance and insight for both students and scholars Choice Outstanding Academic Title 2009

The Jewish-Christian Schism John Howard Yoder, 2008-11-12 Between 1971 and 1996 the late John Howard Yoder 1927 1997 wrote a series of ten essays revisiting the Jewish Christian schism in which he argued that properly understood Jesus did not reject Judaism Judaism did not reject Jesus and the Apostle Paul s

universal mandate for the salvation of the nations is best understood not as a product of Hellenization but rather in the context of his Jewish heritage This posthumous collection of essays is arguably his most ambitious project and displays Yoder's original thesis that the Jewish Christian schism did not have to be Originally published in 2003 by SCM Press and Eerdmans

The Ethics of Evangelism Elmer J Thiessen, 2014-08-08 This is a brief and accessible examination of the ethics of evangelism in a post Christian culture Thiessen discusses the immoral practices and attitudes that are sometimes associated with evangelism and then turns his insightful attention to a better way of approaching the subject Should we try to bring people to Christ or not In a multi cultural world evangelism is often under attack with those seeking to evangelise sometimes being branded arrogant ignorant hypocritical and meddlesome Against such a backdrop this unique book asks what sort of evangelism is ethical in a liberal post Christian society

New Perspectives on Jewish-Christian Relations Elisheva Carlebach, Jacob J. Schacter, 2011-11-25 The delicate balance between toleration and repulsion of the Jews a tiny minority living within the Christian world stands at the center of studies of religion and society The development of this difficult relationship on many levels theological institutional and individual is a matter of continuing relevance in religious history from ancient to contemporary contexts This volume written by the leading scholars of Jewish Christian engagement seeks to revisit the question in light of new sources and re readings of older sources The old view of two implacable enemies battling for their version of truth of Jews living as insular pariahs within a hostile world the tale of persecution by the mighty of the weak has given way to a much more nuanced understanding of areas of congruence of cultural economic and social interchange The volume examines changes in the Christian posture toward the Jews occurring in a time and place of tremendous cultural and religious creativity in Western European society It seeks to understand how Jews integrated elements of Christian culture into their own The volume spans some of the key turning points in the Jewish Christian relationship and re examines critical texts religious disputations and cultural interactions
