## **Connecting Church And Home:**

Connecting Church & Home: A Grace-Based Partnership Tim Kimmel, 2013-02 Tim Kimmel gives a comprehensive strategy to churches for family ministry as well as a plan for parents seeking to pass their faith to the next generation. He shares valuable tools for the church to use to build a strong family ministry. A child who has seen grace lived out in front of him at church and at home is much more inclined toward staying committed to a relationship with God into adulthood. So Kimmel shares what a grace based family ministry looks like in the local church. He also teaches parents how to translate every part of ministry they are exposed to at church to translate into spiritual training at home. The Family Ministry Map created by Kimmel is explained in detail and examples of the program put into practice are given. This book gives a vital message to church ministry leaders and parents equally making this a must read for all involved in sharing faith with the next generation.

*The Connecting Church 2.0* Randy Frazee, 2013-03-12 The development of meaningful relationships where every member carries a significant sense of belonging is central to what it means to be the church. So why do many Christians feel disappointed and disillusioned with their efforts to experience authentic community? Despite the best efforts of pastors, small group leaders, and faithful lay persons, church too often is a place of loneliness rather than connection. In this revised and updated version of his best selling book, Randy Frazee shows us how church can be so much better. More intimate and alive. The answer may seem radical today, but it was a central component of life in the early church. First century Christians knew what it meant to live in vital community with one another, relating with a depth and commitment that made the body of Christ a perfect metaphor for the church. What would it take to reclaim that kind of love, joy, support, and dynamic spiritual growth? Read this book and find out.

**Four Views of Youth Ministry and the Church** Mark Senter, 2001 In *Four Views of Youth Ministry and the Church*, solid academic writing is joined with a tone and design that are as compelling to the field as practicing youth workers as to undergraduate and graduate students. The theological assumptions and pragmatic implications regarding the church's mission to youth constitute a meaty theological dish set on a 21st century platter.

**Church Comes Home** Dave Barnhart, 2020-09-15 People have lost faith in all collective institutions: government, corporations, the media, and the church. We are in the midst of a spiritual disaster. A flood of biblical proportions, and house churches provide lifeboats for people who are seeking a more authentic, life-giving form of Christian community. Many people remember that the early church started in homes, but they don't understand that house churches are still a legitimate and viable model today. House churches can create the intimacy so many people are hungry for. They can nurture life-changing discipleship for individuals and create justice-centered communities. Networked house churches can become truly diverse, multi-ethnic communities that spread the Gospel by emphasizing practices over programs. These communities de-center the preacher, opting instead for grassroots organizing, but they are not leaderless; they are leader-full. This book provides an alternative model for denominations and established churches to consider. It will help pastors reconnect with the traditions of

community organizing itinerant preaching and discipleship training that sparked Methodism and other church movements in the United States Church Comes Home offers alternative ways to look at some of the problems facing our church and our culture     Exploring and Engaging Spirituality for Today's Children La Verne Tolbert,2014-05-19 Exploring and Engaging Spirituality for Today s Children A Holistic Approach answers questions about the most effective ways to help children pre teens and teens develop spiritually This collection of research gleaned from presentations during the Fourth Triennial Children s Spirituality Conference at Concordia University in 2012 is divided into four major sections 1 theological and historical foundations 2 engaging parents and congregations 3 engaging methodologies and 4 exploring children at risk child pornography social justice intercultural diversity and abstinence education Researchers acknowledge that the home is the foundation for Christian nurture In Exploring and Engaging Spirituality for Today s Children both scholars and ministry leaders come together with parents to promote a holistic environment where children are encouraged to love respect and obey God From birth to high school children s voices resonate throughout these studies as they are invited to share their reflections and experiences Exploring and Engaging Spirituality for Today s Children is a lively easy to read collection that reflects a broad range of faith traditions and is ideal for all those who are committed to the spiritual development of children
