political and social activism *Two or Three Things I Know for Sure* Dorothy Allison, 1996-08-01 *Bastard Out of Carolina* nominated for the 1992 National Book Award for fiction introduced Dorothy Allison as one of the most passionate and gifted writers of her generation Now in *Two or Three Things I Know for Sure* she takes a probing look at her family's history to give us a lyrical complex memoir that explores how the gossip of one generation can become legends for the next Illustrated with photographs from the author's personal collection *Two or Three Things I Know for Sure* tells the story of the Gibson women sisters cousins daughters and aunts and the men who loved them often abused them and nonetheless shared their destinies With luminous clarity Allison explores how desire surprises and what power feels like to a young girl as she confronts abuse As always Dorothy Allison is provocative confrontational and brutally honest *Two or Three Things I Know for Sure* steeped in the hard won wisdom of experience expresses the strength of her unique vision with beauty and eloquence *Monstrous Mothers: Troubling Tropes* Andrea O'Reilly, Abigail L. Palko, 2021-08-01 Motherhood is one of those roles that assumes an almost outsized cultural importance in the significance we force it to bear It becomes both the source of and the repository for all kinds of cultural fears Its ubiquity perhaps makes it this perfect foil After all while not everyone will become a mother everyone has a mother When we force motherhood to bear the terrors of what it means to be human we inflict trauma upon those who mother A long tradition of bad mothers thus shapes contemporary mothering practices and the way we view them including the murderous Medea of Greek mythology the power hungry Queen Gertrude of Hamlet and the emasculating mother of Freud's theories Certainly there are mother who cause harm inflict abuse act monstrously Mothers are human But mothers are also a favourite and easy scapegoat The contributors to this collection explore a multitude of interdisciplinary representations of mothers that through their very depictions of bad mothering challenge the tropes of monstrous mothering that we lean on revealing in the process why we turn to them Chapters in *Monstrous Mothers Troubling Tropes* explore literary cinematic and real life monstrous mothers seeking to uncover social sources and results of these monstrosities
