August Wilson Patti Hartigan, 2023-08-15 The masterful The Wall Street Journal invaluable Los Angeles Times first authoritative biography of August Wilson the most important and successful American playwriting of the late 20th century by a theater critic who knew him August Wilson wrote a series of ten plays celebrating African American life in the 20th century one play for each decade No other American playwright has completed such an ambitious oeuvre Two of the plays became successful films Fences starring Denzel Washington and Viola Davis and Ma Rainey s Black Bottom starring Viola Davis and Chadwick Boseman Fences and The Piano Lesson won the Pulitzer Prize for Drama Fences won the Tony Award for Best Play and years after Wilson s death in 2005 Jitney earned a Tony Award for Best Revival of a Play Through his brilliant use of vernacular speech Wilson developed unforgettable characters who epitomized the trials and triumphs of the African American experience He said that he didn t research his plays but wrote them from the blood s memory a sense of racial history that he believed African Americans shared Author and theater critic Patti Hartigan traced his ancestry back to slavery and his plays echo with uncanny similarities to the history of his ancestors She interviewed Wilson many times before his death and traces his life from his childhood in Pittsburgh where nine of the plays take place to Broadway She also interviewed scores of friends theater colleagues and family members and conducted extensive research to tell the absorbing richly detailed Chicago Tribune story of a writer who left an indelible imprint on American theater and opened the door for future playwrights of color

Streetcars and the Shifting Geographies of Toronto Brian Doucet, Michael Doucet, 2022-03-01 When looking at old pictures of Toronto it is clear that the city s urban economic and social geography has changed dramatically over the generations Historic photos of Toronto s streetcar network offer a unique opportunity to examine how the city has been transformed from a provincial industrial city into one of North America s largest and most diverse regions Streetcars and the Shifting Geographies of Toronto studies the city s urban transformations through an analysis of photographs taken by streetcar enthusiasts beginning in the 1960s These photographers did not intend to record the urban form function or social geographies of Toronto they were accidental archivists whose main goal was to photograph the streetcars themselves But today their images render visible the ordinary day to day life in the city in a way that no others did These historic

photographs show a Toronto before gentrification globalization and deindustrialization Each image has been re photographed to provide fresh insights into a city that is in a constant state of flux With gorgeous illustrations this unique book offers an understanding of how Toronto has changed and the reasons behind these urban shifts The visual exploration of historic and contemporary images from different parts of the city helps to explain how the major forces shaping the city affect its form functions neighbourhoods and public spaces

Serving the Marginalized through Design Education Steven B. Webber, 2024-07-02 Design education and practice are inherently social from process to implementation This book explores the transformation in design education as educators prepare their students to address complex social design problems for all people in society This seven chapter volume provides the reader with a range of viewpoints on the role of design education in shaping the world The book begins with the overarching potential of design to address the needs of an increasingly complex society and the importance of worldview that underpins education methodology Each chapter addresses a context that varies by discipline architecture graphic packaging and interior design and location Nigeria Canada Lebanon UK and USA The authors pull back the curtain on their educational methods and provide the reader with a candid view of their teaching outcomes The needs of the marginalized victims of Asian hate students with dyslexia tomato farmers and even design students themselves are brought into focus here These specific places and peoples provide a design context that can be translated to other situations in design education and practice Design educators and practitioners of many design disciplines will benefit from the philosophical discussions and the practical education examples offered here This volume can contribute to transforming design education that will one day transform design practice to place a greater emphasis on the needs of the forgotten in society

Where the Heart Beats Kay Larson, 2013-07-30 A heroic biography of John Cage and his awakening through Zen Buddhism a kind of love story about a brilliant American pioneer of the creative arts who transformed himself and his culture The New York Times Composer John Cage sought the silence of a mind at peace with itself and found it in Zen Buddhism a spiritual path that changed both his music and his view of the universe Remarkably researched exquisitely written Where the Heart Beats weaves together a great many threads of cultural history Maria Popova Brain Pickings to illuminate Cage's struggle to accept himself and his relationship with choreographer Merce Cunningham Freed to be his own man Cage originated exciting experiments that set him at the epicenter of a new avant garde forming in the 1950s Robert Rauschenberg Jasper Johns Andy Warhol Yoko Ono Allan Kaprow Morton Feldman and Leo Castelli were among those influenced by his teaching and preaching Where the Heart Beats shows the blossoming of Zen in the very heart of American culture
