Conversations With Jesus

Marilyn Kunz, Catherine Schell

Conversations With Jesus:

The Conversations of Jesus Simon J. Kistemaker, 2004-10-01 Through Scripture and spoken word Jesus continues to attract millions of followers today In many ways those who seek Christ now differ little from those whose stories we learn in the Gospels Peter Nicodemus Mary the Samaritan leper even Judas Professor Simon J Kistemaker has spent his professional life studying the words and actions of those who spent time with Jesus In *The Conversations of Jesus* he offers a glimpse into the lives of those who were touched by encounters with Jesus Christ Readers will find much in common with these first century people including their feelings of inadequacy confusion and joy at meeting the Savior Ideal for laypersons and pastors *The Conversations of Jesus* helps readers strengthen their walks with Christ as they learn about others who have walked this path before

Conversations with Jesus Christ from the Gospel of John Marilyn Kunz, Catherine Schell, 1960

Let Me Ask You a Question Matthew Croasmun, 2018-07-01 We often think of Jesus as someone with all the answers But over and over in scripture he asks questions seeking to engage with people and genuinely interested in their responses Matthew Croasmun challenges readers to consider this book as an experiment an opportunity to see whether God is real He invites us to enter into conversation with Jesus by answering the questions Jesus asks in scripture The goal is not to come up with what we think are the right answers but to respond honestly to Jesus questions Each chapter of this six week study contains five readings Each reading follows this format A Bible passage with a question Jesus asks in bold type A short reflection designed to help you engage with Jesus question as he asked it in the Gospels and as he asks it of you now Space for you to continue the conversation with Jesus Written in a warm encouraging style this thought provoking and imaginative book will certainly give readers entry points into conversation with God and they may find themselves experiencing a deeper relationship with the divine than they ever thought possible
