Conversations With The Dead The Connection:

Conversations with the Dead - The Connection Bonnie Vent, John Streiff, 2010-03-08 A collection of trance channeled transcripts from medium Bonnie Vent and high level guidance known as The Connection This series of 7 sessions was broadcast LIVE with questions asked by researcher John Streiff and the audience Topics include Life after death Transition Dimensions Ghosts Spirits What happens after we die and much more *Star Signs and One Minute Towards a Dead End Relationship* Tim Ekwulugo, 2012-11-15 Star signs and one minute towards a dead end relationship attempts to address all the signals that usually tell us that a relationship will not be successful any time we meet a potential lover This will help us know when to apply the breaks He or she who acquires this book will be in the position to embrace some of the notable signs which will expose possible love rats wrong partners wrong marriages a treasure hunter gold diggers or people who are out there to settle some scores towards the opposite sex due to a number of failed relationships The relationship game is a cut and throat business which must be taken seriously Ignorance of some of the signs uncovered by the author can possibly lead us towards a lot of failed relationships which will subsequently affect our future happiness The obvious consequences of failed relationships are heart breaks nervous break down difficulty to love again hatred of the opposite sex loneliness suicidal tendency and so on Wouldn't it make more sense for us to trade carefully in this relationship game and avoid making the same mistake all over again The signs of a possible dead end or unhealthy relationship tend to manifest during the initial meetings with possible lovers however these signs are usually overlooked We must task our self during our initial encounters with potential lovers to avoid falling in love with the wrong person The probability of a relationship failing when we meet a potential lover is a lot higher than the relationship becoming successful and this means that we must trade cautiously to avoid being the victim Some of the signs uncovered by the author will be of immense benefit in helping some of the readers in making the right decision particularly ensuring that the probability of success will be a lot higher than failure Talking to the Dead LeRhonda S. Manigault-Bryant, 2014-05-14 Talking to the Dead is an ethnography of seven Gullah Geechee women from the South Carolina lowcountry These women communicate with their ancestors through dreams prayer and visions and traditional crafts and customs such as storytelling basket making and ecstatic singing in their churches Like other Gullah Geechee women of the South Carolina and Georgia coasts these women through their active communication with the deceased make choices and receive guidance about how to live out their faith and engage with the living LeRhonda S Manigault Bryant emphasizes that this communication affirms the women's spiritual faith which seamlessly integrates Christian and folk traditions and reinforces their position as powerful culture keepers within Gullah Geechee society By looking in depth at this long standing spiritual practice Manigault Bryant highlights the subversive ingenuity that lowcountry inhabitants use to thrive spiritually and to maintain a sense of continuity with the past **Dead Men Talking** Nikki Mackay, 2012-11-16 The tales of dead men are the truest kind A restless murdered soul tells tales of love betrayal death and
