Convict Christ What The Gospel Says About Criminal Justice:

The Convict Christ Jens Soering, 2006 An inmate for life Jens Soering tells stories of prison life that are shocking and inspiring He confronts us with Jesus's challenge to love not only the least amongst us but those who are perceived as the worst amongst us Anyone interested in what goes on behind the walls of our nation's prisons and in seeing the face of Christ in everyone will value this authentic harrowing and visionary search for redemption The subject of a recent profile in The New Yorker Jens Soering has been incarcerated in Virginia since 1990 He is the author of *The Way of the Prisoner* and *An Expensive Way to Make Bad People Worse* **And the Criminals with Him** Will D. Campbell, Richard C. Goode, 2012-07-20 In 1972 Will Campbell published an issue of the Committee of Southern Churchmen's journal *Katallagete* to shed light on the US prison system None could anticipate how the system would expand exponentially in the next four decades Today the US operates the world's largest prison system incarcerating nearly 1 in every 100 American adults How did this expansion happen What is the human toll of this retributive system How might ambassadors of reconciliation respond to such a punitive institution Replicating the firsthand nature of Will Campbell's original *Katallagete* collection twenty new essays pull back the veil on today's prison industrial complex The plea throughout this collection is not for some better more progressive institution to exact justice Rather the invitation is to hear from voices of experience how the system functions listen to what the institution does to those locked in its cells consider what an execution involves and most importantly contemplate the scandalous call to be in reconciled community with those whom society discards and the system silences Our story is that there are neither good nor bad people neither felon nor free world We are all one One Day in the Life of 179212 Jens Söring, 2012 To a correctional facility in Virginia he is known as Prisoner 179212 But to a legion of journalists and legal reform activists he is Jens Soering a German citizen who has endured for the past twenty six years the harshest and most unforgiving punishment this country can offer a life sentence without realistic hope of release which some refer to as the other death penalty Told with dry humor *One Day in the Life of 179212* provides an hour by hour survey of everyday life in an American medium security facility with all of its attendant hardships contradictions and even revelations **Camerado, I Give You My Hand** Maura Poston Zagrans, David T. Link, 2013 At a time in his life when most people retire Link felt called to serve the Church and to aid the men that his profession normally put behind bars ministering healing and forgiveness to murderers thieves and what many would call the least of society This is a book about the value of human life and about the transformative power of friendship and compassion He makes the case for adding our own unique gifts to help the least of these our brothers and sisters from all walks of life *No Godforsaken Place* Sarah C. Jobe, 2025-10-16 How does the life arrest trial conviction execution and release from state supervision of Jesus Christ enact the salvation of the cosmos How does that one carceral life in death link up with life in the face of prison death today Jobe explores the spiritual and religious life contained within America's prison systems as it shows up in the profession of prison chaplaincy The theological

foundations of the text coherently link Barth's experience of prison chaplaincy and his Christological theology with the theological understandings in the chaplains' interviews and Jobe's practical soteriology emerges in a thoroughly intricate and compelling contextualized vision. This book weaves careful ethnographic work, the systematic theology of Karl Barth, and biblical interpretation to craft a textured exploration of life after death work.

Chaplaincy: Being God's Presence in Closed Communities E. Dean Cook, 2010-03-18 This book takes us beyond the usual writings about religious ministry.

It invites us into closed communities, some more closed than others, and allows us to observe the day-to-day crisis ministries in which the chaplains are engaged. We visit battlefields, prisons, hospitals, hospice settings, college campuses, veterans' centers, and retirement facilities. The writer draws some interesting conclusions about the uniqueness of the chaplaincy and what the greater church can learn from this growing model.

Catholic Perspectives on Crime and Criminal Justice Willard M. Oliver, 2008-01-01 Drawing upon Catholic social teaching, traditional writings, and Sacred Scripture, this book presents a Catholic perspective of crime and criminal justice in America. Specifically, it presents a policy framework for the criminal justice system, describing how and why police, courts, and corrections should adopt the tenets of restorative and community justice. In addition, it presents how certain crime-related issues would be addressed under a Catholic perspective, particularly focusing on the death penalty, abortion, euthanasia, and so-called victimless crimes.

When Texas Prison Scams Religion Michael G. Maness, 2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice, especially in the abuse of religion. In many ways, this book is a literature review of 1,800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners. The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor, TDCJ Director, and wardens throughout the prison. Therein, TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors. Why is the director sponsoring psychopaths counseling psychopaths? In fact, TDCJ pays \$314 million a year to UTMB for psychiatric care and receives not a single report of the care given, and worse for UTMB generates no reports itself. The underbelly of TDCJ's executive culture of cover-up is exposed. TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence. TDCJ Director Collier led the prison to model Louisiana Warden Burl Cain, the most scandal-ridden in penal history according to a host of published news stories for 20 years. Therein, Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism. Texas has no business endorsing the truth of

any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars Prison Religion Winnifred Fallers Sullivan,2011-09-06 More than the citizens of most countries Americans are either religious or in jail or both But what does it mean when imprisonment and evangelization actually go hand in hand or at least appear to What do faith based prison programs mean for the constitutional separation of church and state particularly when prisoners who participate get special privileges In Prison Religion law and religion scholar Winnifred Fallers Sullivan takes up these and other important questions through a close examination of a 2005 lawsuit challenging the constitutionality of a faith based residential rehabilitation program in an Iowa state prison Americans United for the Separation of Church and State v Prison Fellowship Ministries a trial in which Sullivan served as an expert witness centered on the constitutionality of allowing religious organizations to operate programs in state run facilities Using the trial as a case study Sullivan argues that separation of church and state is no longer possible Religious authority has shifted from institutions to individuals making it difficult to define religion let alone disentangle it from the state Prison Religion casts new light on church state law the debate over government funded faith based programs and the predicament of prisoners who have precious little choice about what kind of rehabilitation they receive if they are offered any at all
