The Heavens of Idolatry Lisa Stough,2015-08-25 So you say youre not a perfectionist Your idea of a perfectionist is someone who is well on their way to being perfect and that does not describe you Perfectionism is so cleverly disguised by its symptoms and ripple effects but the

problem is the same at the heart of idolatry. The Heavens of Idolatry challenges Christ followers to consider the possibility that other gods may have set up a throne in their heart. As believers, we may find ourselves living to please these gods with our identity and worth hanging in the balance of acceptance. Or, being the diligent Christians that we are, we may have elevated ourselves by setting impossible standards for someone else. It is the striving and confusion that ensue that causes big problems in a person's life. Lisa Stough writes to fellow perfectionists as well as all Christians who are tired of hiding inside their Sunday clothes, who have given up on God all together, or who might be wondering what the big deal is about perfectionism. She brings Scripture insight and experience together into a journey you can call your own. *Good Enough* Wendi Nunnery, 2020-10-20. You've checked all the boxes. You've followed all the rules. But something has still gone terribly wrong. This is where Wendi Nunnery, Jesus follower, college graduate, and newlywed, found herself eleven years ago. After years of meeting all the expectations set for a good Christian girl, she was suddenly spiraling into an unknown terror she would later discover was Obsessive Compulsive Disorder, and questioning everything she'd ever known about herself and about God. It took nearly a decade, but eventually Wendi learned her value was fixed. Finished Holy. And it's in the pages of this book where she lays out the story of how, and invites you to come along, find a friend, and realize you are not alone in your wandering. Driven by thoughtful, poignant essays with just the right amount of colorful language, *Good Enough* tackles the lie that we are required to be perfect in order to be good, and most importantly, reveals the truth about how much we've already been given. **Confessions of a Toxic Perfectionist** George Verwer, 2020. *You Don't Owe Anyone* Caroline Garnet McGraw, 2021-04-20. *You Don't Owe Anyone* is for perfectionists, workaholics, people pleasers, and strivers who feel stuck in the try-hard cycle. Sharing her experiences as a life coach and recovering perfectionist, Caroline Garnet McGraw shows us how we can free ourselves from the weight of expectations and encourages us to move our lives forward without apology. Inspired by the author's viral essay *You Don't Owe Anyone*, an Interaction, this book invites us to make surprising choices that can help us get unstuck. Rather than offering more ways to effect change through sheer effort, these personal stories serve as a compassionate witness, a reflection of our own perfectionistic tendencies. They also are a wakeup call, jolting us out of our martyr mentality and inspiring us to move in new, positive directions. Through simple, accessible coaching practices, *You Don't Owe Anyone* shows us what it looks like to refuse to over-function in the old ways. It invites us to make the same surprising choices that have helped McGraw and her clients move past perfectionism, empowering us to quiet our fears and heal our hearts.
