Confident Christian ,2009-07 Help teens defend their faith in a world that challenges it and them With Confident Christian they ll investigate and respond to the doctrines of six different religious worldviews including Buddhism Islam Judaism New Age thought Hinduism and popular cults such as Mormonism and Jehovah s Witnesses Includes discussion questions Scripture references and space for writing *Apologetics at the Cross* Joshua D. Chatraw,Mark D. Allen,2018-05-15 2019 Outreach Magazine Resource of the Year Apologetics 2018 The Gospel Coalition Book Award Evangelism rather than anger arrogance and aggression Chatraw and Allen equip Christians to engage skeptics with the heart as well as the mind Conversational in tone and balanced in approach Apologetics at the Cross provides a readable introduction to the field of apologetics You ll be informed and equipped for engaging a wide range of contemporary challenges with the best in Christian thought Everyday Apologetics Paul Chamberlain,Chris Price,2020-05-06 Objections to the Christian faith are not new The ability to boldly proclaim the old faith to a post Christian culture is In an era where access to objections and arguments is easier than ever everyday Christians need to be prepared with strong clear responses In Everyday Apologetics readers will be equipped with answers to some of Christianity s most difficult objections Why is the God of the Old Testament so violent Are science and faith in fundamental conflict with one another The contributors take up these questions and more helping Christians be strengthened in their faith while also providing powerful answers to opponents of the Christian faith With a clear inviting winsome style Everyday Apologetics is for everyone Christians skeptics seekers and everyone in between *Cultural Contextualization of Apologetics* Matt W. Lee,2022-03-03 In the post Christian world we find sincere efforts in traditional Christian apologetics repeatedly running into invisible walls These blocks happen when cultural issues are neglected With mere rational arguments presented as a defense of Christianity logical answers alone are not attracting the nonbelievers nor resolving their skepticism People today have different obstacles in coming to the Christian faith particularly their own cultural presuppositions How do we present defend and commend Christianity to people whose culture gives them a frame of mind the one that cares very little about how rational the arguments are Cultural Contextualization of Apologetics explores the world of the New Testament and the ministry of the apostle Paul to excavate a fresh model for apologetics with cultural engagement to present an answer Matt W Lee analyzes the dynamics involved in Paul s cultural connection with his audience and how it relates to their receptivity uncovering a scheme of apologetics engagement patterned in his apologetics speeches From the background of Paul s world to the forefront of contemporary apologetics preaching Cultural Contextualization of Apologetics offers a vision of apologetics communication that is both biblical and practical Developing Your Spiritual Understanding Pastor Ralph,2014-02-26 Developing Your Spiritual Understanding DYSU is a confirmation lesson focusing on increasing spiritual awareness teaching youth how to make sound Christian decisions and encouraging active participation in the church school community and the world While spiritual

development is personal it is fostered through educating individuals about prayer worship and service It is imperative for youth in the 21st century to become empowered with a renewed sense of confidence and self esteem This can only be accomplished when given the right tools to make spiritual life choices We welcome each youth to take this confirmation journey in developing their spiritual understanding **Exalting Jesus in 1 & 2 Timothy and Titus** David Platt, Dr. Daniel L. Akin, Tony Merida, 2013-08-01 Edited by David Platt Radical Daniel L Akin and Tony Merida this new commentary series projected to be 48 volumes takes a Christ centered approach to expositing each book of the Bible Rather than a verse by verse approach the authors have crafted chapters that explain and apply key passages in their assigned Bible books Readers will learn to see Christ in all aspects of Scripture and they will be encouraged by the devotional nature of each exposition

Christian Advocate ,1929 *American Book Publishing Record* ,2006 *Pre-Evangelization and Young Adult "Native Nones"* Tamra Hull Fromm, 2021-01-19 What motivates American young adult native nones or those who have grown up without a religious background to investigate the Catholic faith What turns them off How do we reach them Tamra Hull Fromm re examines the role of pre evangelization in the contemporary context and presents a micro study of twenty four native nones who chose to investigate the Catholic Church through the Rite of Christian Initiation of Adults RCIA in the Archdiocese of Detroit USA **British Books in Print** ,1970
