Conversations with Saul Bellow Saul Bellow, 1994 Renowned writer Saul Bellow reflects on the times in which we live and the craft of writing Bellow asks what meaningful words are left to write in the face of such events as revolutions world wars the atom bomb and who would take the time to read them if new words were found or invented Fortunately Faulkner is no longer alive and unfortunately neither is Hemingway *A Political Companion to Saul Bellow* Gloria L. Cronin, Lee Trepanier, 2013-05-01 Saul Bellow is one of the twentieth century's most influential respected and honored writers His novels *The Adventures of Augie March* *Herzog* and *Mr Sammler's Planet* won the National Book Award and *Humboldt's Gift* was awarded the 1976 Pulitzer Prize for fiction In addition his plays garnered popular and critical acclaim and some were produced on Broadway Known for his insights into life in a post Holocaust world Bellow's explorations of modernity Jewish identity and the relationship between art and society have resonated with his readers but because his writing is not overtly political his politics have largely been ignored *A Political Companion to Saul Bellow* examines the author's novels essays short stories and letters in order to illuminate his evolution from liberal to neoconservative It investigates Bellow's exploration of the United States as a democratic system the religious and ideological influences on his work and his views on race relations religious identity and multiculturalism in the academy Featuring a fascinating conclusion that draws from interviews with Bellow's sons this accessible companion is an excellent resource for understanding the political thought of one of America's most acclaimed writers **Blacks and Jews in Literary Conversation** E. Miller Budick, 1998-09-28

Blacks and Jews in Literary Conversation explores the works of a range of black and Jewish writers critics and academics from the 1950s to the 1980s By recording conversations both direct such as essays and letters and indirect such as the fiction of Bernard Malamud Philip Roth Alice Walker Cynthia Ozick Toni Morrison and James Baldwin this book shows how dialogue can engender misperceptions and misunderstandings and how blacks and Jews in America have both sought and resisted assimilation By analyzing the history of this discourse the author explores the ways in which ethnic fiction works in interethnic America the effects of identity politics and the tensions and bonds created as African and Jewish Americans continue to construct their ethnic and religious identities in the United States Conversations with Contemporary

Esoteric-Spiritual Matters Stephen E. Usher, 2017 In 1975 Saul Bellow published his eighth novel *Humboldt's Gift* in which

the main protagonist is occupied with among other things the teachings of Rudolf Steiner Although the novel was an immediate success and won a Pulitzer Prize leading to Bellow s Nobel Prize for Literature in 1976 the unapologetic presence of Rudolf Steiner s Anthroposophy in a work of such obvious cultural importance was and remains puzzling for many commentators A sentence from one contemporary review of the novel is typical I am not clear whether Charlie s devotion to Steiner s Anthroposophy is one of Mr Bellow s more obscure jokes or is meant seriously Those readers with more than a passing knowledge of Steiner s work however immediately recognized that an authentic effort to come to terms with anthroposophy in an unbiased way was behind Bellow s artful depiction of Charlie Citrine Stephen Usher who later became the manager of the Anthroposophic Press now SteinerBooks was one such reader This book offers a personal account of the conversations and correspondence that followed their meeting through a mutual acquaintance and includes the foreword Saul Bellow wrote then for the book of lectures by Rudolf Steiner *The Boundaries of Natural Science* **The Cambridge Companion to Saul Bellow** Victoria Aarons,2017 This book demonstrates the complexity of Bellow s work by emphasizing the ways in which it reflects the changing conditions of American identity *Mysticism and the Mid-Century Novel* J. Clements,2011-11-01 This book argues that many of the mid twentieth century s significant novelists were united by a desire to return the increasingly interior novel to ethical engagement They did not seek morality in society politics or the individual will but sought to unveil a transcendent Good by using techniques drawn from the canon of mystical literature
