

The image features a central graphic with a light blue background and a large, faint circular scale or dial. A diagonal band, colored light orange, runs from the bottom left towards the top right. The text "Convert" is written in a dark blue, sans-serif font, positioned above the orange band. Below it, the words "DOCX to PDF" are written in a larger, bold, sans-serif font. "DOCX" is in blue, "to" is in dark blue, and "PDF" is in red. On either side of the text, there is a white document icon with a blue triangle and a red triangle, representing the input and output formats. The overall design is clean and modern, emphasizing the conversion process.

Creational Design Patterns in C# Vaskaran Sarcar, 2025-08-09. Unlock the power of design patterns to elevate your software architecture. This pocket book provides an in-depth guide to five essential creational design patterns crucial for building robust, scalable, and maintainable applications in C#. With step-by-step implementation in C# and a focus on practical applications, this book will empower you to enhance your software solutions and sharpen your design skills. The book starts by covering the simple factory pattern first, where you will learn object creation with clear single responsibility classes, followed by the factory method pattern. Next, you will go through the prototype, singleton, and builder patterns. In the end, you will demonstrate dependency injection with real-life examples. The book breaks down complex concepts into practical examples and concise explanations, making it an invaluable resource at every level of experience.

What You Will Learn: Gain insights into the concepts of design patterns. Will be familiar with real-world applications of design patterns. Gets a hands-on experience for each of the patterns using the latest version of C#. Some of the alternatives to these patterns with their pros and cons.

Who This Book Is For: OOP C# developers who want to learn and practice design patterns to upgrade their development skills.

Finding the Write Fit Ross Lampert (a.k.a. The Critique Doctor), 2025-10-01. Finding the Write Fit is a guide for evaluating one or more in-person critique groups, social media-based groups, or online critique sites to find one that's a good fit for you. It also provides an overview of online and in-person courses and classes that aren't associated with a college or university, looks at artificial intelligence applications as potential critique tools, and guides you through the process of forming your own in-person group if you decide you aren't comfortable with any of the other options.
