Cooking Inspired Bringing Passion And Creativity Back Into The Kitchen

Karen Page

Cooking Inspired Bringing Passion And Creativity Back Into The Kitchen:

Kitchen Creativity Karen Page, 2017-10-31 Unlock your creative potential with the world's most imaginative chefs. In this groundbreaking exploration of culinary genius, the authors of *The Flavor Bible* reveal the surprising strategies great chefs use to do what they do best. Beyond a cookbook, *Kitchen Creativity* is a paradigm-shifting guide to inventive cooking without recipes that will inspire you to think, improvise, and cook like the world's best chefs. Great cooking is as much about intuition and imagination as it is about flavor and technique. *Kitchen Creativity* distills brilliant insights into these creative processes from more than 100 top restaurant kitchens, including the Bazaar, Blue Hill, Daniel, Dirt Candy, Eleven Madison Park, and the NoMad. Gramercy Tavern, the Inn at Little Washington, Le Bernardin, Oleana, Rustic Canyon, Saison, Single Thread, and Topolobampo. Based on four years of extensive research and dozens of in-depth interviews, *Kitchen Creativity* illuminates the method and occasional madness of culinary invention. Part I reveals how to learn foundational skills, including how to appreciate taste and season classic dishes. Stage 1: Mastery before reinventing the classics from a new perspective. Stage 2: Alchemy. Einstein's secret of genius: combinatory play pushes chefs to develop unique creations and heighten their outer and inner senses. Stage 3: Creativity. Part II's A to Z entries are an invaluable culinary idea generator with exercises to prompt new imaginings. You'll also discover experts' criteria for creating new dishes, desserts, and drinks; comprehensive seasonality charts to spark inspiration all year long; how to season food like a pro; and how to create complex yet balanced layers of flavor. The amazing true stories of historic dishes, like how desperate maitre d' Nacho Anaya invented nachos, and proven tips to jump start your creative process. The ultimate reference for culinary brainstorming, *Kitchen Creativity* will spur your creativity to new heights, both in the kitchen and beyond.

The Little Viet Kitchen Thuy Diem Pham, 2018-04-19 As a child, we had nothing, and the value of every meal therefore was so important to us. This has shaped my love and perspective on food. Born in a small village in the south of Vietnam, Thuy was surrounded by food, and she grew up amidst livestock and fresh produce with a wonderful variety of fruits, morning markets with freshly picked vegetables, and the smells of traditional street food. It's these memories that are the foundation of her food philosophy and culinary creations, and her landmark London restaurant, *The Little Viet Kitchen*, brings this true taste of Vietnamese cuisine to Islington. It is here that Thuy, along with her husband Dave, has created a dining experience combining the best of restaurateur precision and flair with the comforts of the home kitchen. Embracing all elements of Vietnamese cuisine, Thuy's food enhances and showcases the natural textures and flavours of the organic ingredients she uses. Having moved to the UK aged seven, Thuy has a distinctive approach to Vietnamese cooking in the West, with an authentic core knowledge of Vietnamese culture and a deft understanding of the London restaurant and foodie scene, all of which is brought to life in these pages. Offering a fresh approach and insight into how to make the best of classic dishes and Vietnamese family favourites, it is Thuy's expertise and memories that are the heart of each and every recipe. This book delves into Thuy's journey from Vietnam to England, celebrating her love of Vietnamese

cooking culture and way of life and tantalizing the reader's tastebuds alongside their imaginations turning everyone's kitchen into a Little Viet Kitchen Beautiful photography by the brilliant David Loftus accompanies each recipe all styled by Thuy herself

The Farm Cooking School Ian Knauer, Shelley Wiseman, 2017-12-05 When you visit The Farm Cooking School you'll not only leave with a full stomach but having learned something new The Farm Cooking School is packed with many of the same lessons you'd learn in person at the school taught through more than 100 delicious recipes You'll learn how to make the flakiest pie crust for peerless summer pies use fresh farm eggs for sweet airy pavlova and highlight what's growing now with scratch made pizzas and pastas Smoking salt roasting pickling and preserving are all part of the fun Yet it's the way Ian and Shelley employ these techniques that make their classes and this book so much fun Brine nasturtium buds for creative capers or try the hot smoked oysters with a dollop of harissa butter and you'll agree The Farm Cooking School is a cookbook for anyone who wants to learn to cook in tune with nature Celebrate the seasons as you grow comfortable with the practiced techniques of our forebears Join us at the school
