Sources of Power, 20th Anniversary Edition Gary A. Klein, 2017-09-15 As seen in Malcolm Gladwell's Blink the modern groundbreaking classic on effective decision making How people really make decisions by drawing on prior experience and using a combination of intuition and analysis We have all seen images of firefighters rescuing people from burning buildings and paramedics treating bombing victims How do these individuals make the split second decisions that save lives Most studies of decision making based on artificial tasks assigned in laboratory settings view people as biased and unskilled In this modern classic Gary A Klein proposes a naturalistic approach to decision making which views people as gaining experience that then enables them to use a combination of intuition and analysis to make decisions To illustrate this approach Klein tells stories of people from pilots to chess masters acting under such real life constraints as time pressure

high stakes personal responsibility and shifting conditions Since its publication *Sources of Power* has been enormously influential The book has sold more than 50 000 copies has been translated into six languages has been cited in professional journals that range from *Journal of Marketing Research* to *Journal of Nursing* and is mentioned by Malcolm Gladwell in *Blink* Author Gary Klein has collaborated with Nobel laureate Daniel Kahneman and served on a team that redesigned the White House Situation Room to support more effective decision making The model of decision making Klein proposes in the book has been adopted in many fields including law enforcement training and petrochemical plant operation *The Encyclopedia of Country Living, 50th Anniversary Edition* Carla Emery, 2025-08-05 OVER 1 MILLION COPIES SOLD The 50th anniversary edition of the classic manual for sustainable living with 900 pages covering basic country skills and wisdom for living off the land Whether you re homesteading prepping or living off grid keep your family healthy safe and self sufficient no matter what s going on in the world From homesteaders to urban farmers and everyone in between there is a desire for a simpler way of life a healthier and self sufficient natural lifestyle that allows you to survive and thrive even in uncertain times Carla Emery s classic guide will teach you how to live off the grid be prepared and do it yourself Can dry and preserve food Plan your garden with a beginner s guide to gardening Grow your own food Make 20 minute cheese Make your own natural skincare products Bake bread Cook on a wood stove Learn beekeeping Raise chickens goats and pigs Create natural skincare products Make organic bug spray Treat your family with homemade natural remedies Make fruit leather Forage for wild food Spin wool into yarn Mill your own flour Tap a maple tree And so much more The *Encyclopedia of Country Living* has been guiding readers for more than 50 years teaching you all the skills necessary for living independently off the land Whether you live in the city the country or anywhere in between this is the essential guide to living well and living simply [America's Test Kitchen Twentieth Anniversary TV Show Cookbook](#) America's Test Kitchen, 2019-10-22 A special collection of the very best 500 recipes from two decades of the America s Test Kitchen TV show plus all the recipes from the 20th season Here are ATK s greatest hits the most inventive and rewarding project recipes classics reimaged must have basics international favorites and all star baking recipes The recipes selected for this commemorative edition celebrate the best and most remarkable accomplishments from 500 episodes of the longest running cooking show on TV The collection also shines a spotlight on the cast with fascinating commentary on the recipes from the team that brought them to life on TV The book captures the personality of the show and provides a first ever behind the scenes look at its beloved cast members along with special features that relay the collected expertise wit and wisdom of the team behind America s most trusted test kitchen

Casseroles, Can Openers, and Jell-O Elizabeth Aldrich, 2023-05-01 *Casseroles Can Openers and Jell O* provides insight on how American food culture developed during the early years of the Cold War Highlighting gender roles the promotion of democracy and capitalism and the impact of mass market advertising the book draws on cookbooks popular magazines television advertisements government publications and industry pamphlets to paint a vivid picture of what Americans ate and

how food was enlisted as a symbol of America's postwar dominance. Featuring eighty recipes, the book shows how the food industry promoted new processed foods to an increasingly industrialized nation. For anyone wanting to better understand how America's food culture developed during the mid twentieth century and for those who were raised on TV dinners and Campbell's soup, the book offers an engaging and evocative look at the story of American cuisine during the early years of the Cold War.

The McDonaldization of Society George Ritzer, 2013. George Ritzer's *McDonaldization of Society* now celebrating its 20th anniversary continues to stand as one of the pillars of modern day sociological thought. By linking theory to 21st century culture, this book resonates with students in a way that few other books do, opening their eyes to many current issues especially in consumption and globalization. As in previous editions, the book has been updated and it offers new discussions of, among others, In N Out Burger and Pret A Manger as possible antitheses of McDonaldization. The biggest change, however, is that the book has been radically streamlined to offer an even clearer articulation of the now famous McDonaldization thesis.

The Write Track Betty Jane Wylie, 2003-04. *The Write Track* is a personal and practical look at the author's freelance experience as she tells how she made it from uncertain early days to the growing confidence of a veteran. This guide is packed with the information a freelance writer needs to know, including a writer's self evaluation, profits from brainwaves, details of the writing life and the writing business, a writer's rights and responsibilities, and those important first steps into the freelance world. If you want to make a living as a freelance writer in Canada, you need to read *The Write Track*.
