Cop In The Hood My Year Policing Baltimores Eastern District:

Cop in the Hood Peter Moskos, 2008 Cop in the Hood is an explosive insider's story of what it is really like to be a police officer on the front lines of the war on drugs Harvard trained sociologist Peter Moskos became a cop in Baltimore's roughest neighborhood the Eastern District also the location for the first season of the critically acclaimed HBO drama The Wire where he experienced real life poverty and violent crime firsthand This revised and corrected edition of Cop in the Hood provides an unforgettable window into the world that outsiders never see the thriving drug corners the nerve rattling patrols and the heartbreaking failure of 911 publisher's description Cop in the Hood Peter Moskos, 2009-08-03

When Harvard trained sociologist Peter Moskos left the classroom to become a cop in Baltimore's Eastern District he was thrust deep into police culture and the ways of the street the nerve rattling patrols the thriving drug corners and a world of poverty and violence that outsiders never see In Cop in the Hood Moskos reveals the truths he learned on the midnight shift Through Moskos's eyes we see police academy graduates unprepared for the realities of the street success measured by number of arrests and the ultimate failure of the war on drugs In addition to telling an explosive insider's story of what it is really like to be a police officer he makes a passionate argument for drug legalization as the only realistic way to end drug violence and let cops once again protect and serve In a new afterword Moskos describes the many benefits of foot patrol or as he calls it policing green

Voices from Criminal Justice Heith Copes, Mark Pogrebin, 2016-11-25 Voices from Criminal Justice Second Edition gives students rich insight into the criminal justice system from the point of view of practitioners as well as outsiders citizens clients jurors probationers or inmates These qualitative and teachable articles cover all three components of the criminal justice system ensuring students will be better informed about the daily realities of criminal justice professionals in law enforcement courts and corrections At the same time the juxtaposition of insider and outsider views allows students to look beyond the actual content of the articles and develop their own views about the functions and flaws of the criminal justice system on a societal level This innovative reader now with seven new articles designed to stimulate discussions and promote critical thought is perfect for undergraduate criminal justice courses in the United States and has proven to be an effective companion or alternative to traditional introductory textbooks Voices from Criminal Justice Second Edition also offers a framework for more advanced students in special issues or capstone courses to synthesize information from earlier courses and develop their own view of American justice

The Politics of the Police Benjamin Bowling, Robert Reiner, James W. E. Sheptycki, 2019 The Politics of the Police offers a geographical and historical overview of the law and politics of the police This fifth edition covers a wider range of empirical and theoretical issues encompassing a transnational scope and reflecting the growing diversity of policing forms in today's globalized world

Disassembling Police Culture Mike Rowe, 2023-02-10 Drawing on six years of ethnographic research this book critically examines police culture exploring police behaviours decisionmaking and actions Police culture is a concept widely used often critically to characterise the

working attitudes and behaviours of usually uniformed police officers It is shorthand for a workplace imbued with machismo racism sexism a thirst for danger and excitement cynicism and conservatism Rather than looking for culture or identifying how culture affects behaviours this book identifies factors that influence the decisions and actions including technology targets training timing intelligence geography and supervision thus reassembling police culture much as Bruno Latour sought to reassemble the social The analysis develops a clearer and critical understanding of culture by explicitly connecting the debates about police culture to those about organisational culture Offering a detailed ethnography of two shifts it grounds the analysis of the idea of police culture in a thick description of the day to day activities observed in the police station and the patrol car rather than using brief illustrative extracts The book dispenses with any assumption of the utility of the concept of police culture not least because it is opaque and reassembles our understanding of policing and if it retains any relevance of police culture An accessible and compelling read this book will appeal to students and scholars of policing criminology sociology law politics and all those interested in the day to day lives of police officers

Leadership and Management in Police Organizations Matthew J. Giblin, 2016-09-16 Built on a foundation of nearly 1 200 references Leadership and Management in Police Organizations is a highly readable text that shows how organizational theory and behavior can be applied to improve the operations leadership and management of law enforcement Author Matthew J Giblin emphasizes leadership and management as separate skills in successful police supervisors and executives illustrating to students how the two skills combine to improve individual and organizational efficacy in policing Readers will come away with a stronger understanding of why organizational decisions matter and the impact research can have on police departments

The Policing of Flows Anthony Amicelle, Karine Cote-Boucher, Benoît Dupont, Massimiliano Mulone, Clifford Shearing, Samuel Tanner, 2020-05-21 Rectifying the fact that little criminological attention has been paid to the notion that the security of flows increasingly embodies concerns at the heart of contemporary policing practices this book makes a significant contribution to knowledge about the policing and security governance of flows The book focuses on how the growing centrality of flows affects both contemporary risks and the policing organisations in charge of managing them The contributors analyse flows such as event security border controls and migration the movement of animal parts security related intelligence and organisational flows The emerging criminology of these as well as flows of money information and numerous commodities from pharmaceuticals to minerals or malicious software is leading to critical advances in the understanding of the changing harm landscapes and the practices that have developed to manage them Taken as a whole the book opens up the conversation and encourages the invention of new conceptual theoretical and methodological tools to help criminology tackle and better understand the mobile world in which we live This book was originally published as a special issue of Global Crime

The Anthropology of White Supremacy Aisha M. Beliso-De Jesús, Jemima Pierre, Junaid Rana, 2025-01-28 White supremacy has shaped cultural anthropology from its inception yet the discipline also offers powerful

tools for understanding how this corrosive force structures societies around the world The Anthropology of White Supremacy explores how this phenomenon works around the globe and within anthropology itself Gathering original essays from a diverse international group of anthropologists this collection illustrates that white supremacy far from being only a fringe belief of white nationalists and fascists is a core mainstream ideology The book includes essays about many countries including Brazil Mexico Nigeria Norway Senegal South Africa and the United States and takes up such topics as American advertising the Belgian Congo South Asian philosophies police cadets U S immigration courts Guantamo memoirs Palestinian feminism Hollywood paparazzi and how Indigenous anthropologists can counter the damage of settler colonialism The result reveals not only how anthropology can help us to better comprehend white supremacy but also how the discipline can help us begin to dismantle it With contributions by Omolade Adunbi Samar Al Bulushi Aisha M Beliso De Jesus Michael Blakey Mitzi Uehara Carter Subhadra Mitra Channa Celina de S Vanessa Diaz Britt Halvorson Faye Harrison Sarah Ihmoud Anthony R Jerry Darryl Li Kristin Loftsdottir Christopher Loperena Keisha Khan Y Perry Jemima Pierre Jean Muteba Rahier Laurence Ralph Renya K Ramirez Junaid Rana Joshua Reno Jonathan Rosa Shalini Shankar and Maria Styve Comparing the Democratic Governance of Police Intelligence Thierry Delpeuch, Jacqueline E. Ross, 2016-08-26 Intelligence led policing is an emerging movement of efforts to develop a more democratic approach to the governance of intelligence by expanding the types of expertise and the range of participants who collaborate in the networked governance of intelligence This book examines how the partnership paradigm has transformed the ways in which participants gather analyze and use intelligence about security problems ranging from petty nuisances and violent crime to urban riots organized crime and terrorism It explores changes in the way police and other security professionals define and prioritize these concerns and how the expanding range of stakeholders and the growing repertoire of solutions has transformed both the expertise and the deliberative processes involved Beyond Community Policing James J. Chriss, 2015-12-03 Beyond Community Policing uses history and general sociological theory to examine the trajectory of municipal policing from Britain in the 1830s to its adoption and evolution in the America By analysing the uncertain and uneven historical development of policing this book illustrates in great detail the functional connections between cities or communities and police departments Chriss also considers the development of municipal policing in the American West between 1850 and 1890 which helps to situate the current discussion of policing in the post 9 11 United States
