It is well informed full of case illustrations to guide the reader and is written by a compassionate therapist and researcher with a solid grasp of the complex social environment in which children live today. Dr Chris Nicholson Head of the Department of Psychosocial and Psychoanalytic Studies University of Essex. I'm Not Crazy I'm Not Crazy, 2010-08 *Teens* It isn't fair that you have depression or bipolar disorder. You can continue along the same path but chances are if someone gave you this workbook that path isn't the best. Working through these pages will help you understand what the heck everyone is talking about. You might even see some of your behaviors and thoughts. It has practical suggestions to help you cope. What does it hurt to try? Ultimately it is your choice to work through the issues. But it's kinda nice to see that you aren't the only one to have these crazy thoughts. **What Works with Children, Adolescents, and Adults?** Alan Carr, 2008-08-18 This book provides an up to date review of research on the effectiveness of psychotherapy and psychological interventions with children adolescents
