Getting into College Frank C. Leana, 2025-10-16 In his manual *Getting Into College* Leana provides both broad and very specific advice and information that will help high school students gain admission to the college of their choice. It discusses the role of parents, the special problems foreign students face, transfer admissions, using summer vacations to best advantage, and the student with a learning disability. A savvy encouraging manual of tips for high school juniors and seniors embarking on the college admissions merry-go-round, strongest on areas to highlight and correspondingly ways to counterbalance academic weaknesses. Kirkus Reviews FY 1988 Application for Grants Under Training Personnel for the Education of the Handicapped, 1987 *adMISSION POSSIBLE* Marjorie Hansen Shaevitz, 2012-04 Admission Possible doesn't just describe college admissions; it shows exactly what to say and do every step along the way from freshman through senior year of high school using fully illustrated examples and checklists **The Best Book On Ivy League Admissions** Ashley Artmann, Tyler White, Sandy Yu, 2012-03-01 We know exactly how you feel. We've been in your shoes before and we've succeeded. We all had our weaknesses: for some it was a low GPA, others lack of Club President on their resume, not taking an AP or IB class, still others went to schools where they were literally the first ones ever accepted into an Ivy League caliber school. Why are we doing this? Part of the motivation is seeing the helplessness and stress of our friends going through the process from younger sisters to family friends to mentorship programs. We see you guys and girls asking the same questions and making the same mistakes. We feel like the path to admissions success can be SO OBVIOUS but only once you've already been through it. We want to help, and after personally experiencing this ourselves, we know that Kaplan and Princeton Review can only go so far. We've decided to share our stories in detail so you can learn our exact strategies, insights, techniques, and even materials that we used. What do you have to do to get into your dream school? We can guide you every step of the way to your Ivy League entrance. Getting into the Ivies is not just about tricks to writing an application; you need to work right, think right, and act right for years. Our e-book *The Best Book On Ivy League Admissions* will tell you how to make yourself the most attractive student out there. It's guaranteed to improve your chances to get into your dream school.
