READING & WRITING LETTERS

Learning to write to others so they can understand is much easier if you follow certain rules.

If you write your name, you begin it with an uppercase letter. The rest of the letters in your name are probably lowercase letters.

EX: If your name is Sofia, you probably don't write sofia or sofia.

EX: If your name is Ethan, you probably don't call yourself EthaN.

A a B b C c D d
E e F f G g H h I i
J j K k L l M m N n
O o P p Q q R r
S s T t U u V v
W w X x Y y Z z

You Can Do This!

Look at the first letter. What is it? Write down the uppercase and lowercase letters **A** and **a**. Now look at the pictures under **A**. What are they? Repeat the name of the pictures after an adult. Each one starts with a different sound.

Now try labeling things in your room or house. Pick some things you want to name, like where your dinosaur collection goes or where you keep your dress-up clothes. Then write out your own labels. Sound out the words like you think they should sound.

Label the first letters of the words with uppercase letters because they're titles.

EX: You might label one part of your room as Kayla's Dinosaur or Caleb's Costume.
