Daisy Meredith, daredevil, tomboy, possessed of a brilliant mind, exuberant, quick-witted, fond of practical jokes, honourable, honest, courageous, straight in all things and... an elementary school pupil. Father – dead. Mother – a former opera singer who struggles to keep a home together for herself, Daisy, and Daisy's brothers – Dick, Douglas, Daniel and Duncan in a small terraced house in London's East End, by giving music lessons to private pupils. Daisy Pulls It Off Script:

Good Nights Out Aleks Sierz, 2019-12-12 London's West End is a global success story staging phenomenal hit shows that have delighted millions of spectators and generated billions of pounds in revenue. In *Good Nights Out* Aleks Sierz provides a thematic survey of such popular theatre shows that were enormous commercial successes over the past 75 years. He argues that these outstanding hits have a lot to say about the collective cultural, social and political attitudes and aspirations of the country and about how our national identity and theatre's role in creating it has evolved over the decades. The book spans a range of work from almost forgotten plays such as R F Delderfield's *Worm's Eye View* and Hugh Hastings's *Seagulls Over Sorrento* to well known mega hits such as *The Mousetrap* and *The Phantom of the Opera*. Such popular work has tended to be undervalued by some critics and commentators mainly because it has not been thought to be a suitable subject for inclusion in the canon of English Literature. By contrast Sierz demonstrates that genres such as the British musical, light comedy, sex farce or murder mystery are worth appreciating not only for their intrinsic theatrical qualities but also as examples of the dream life of the British people. The book challenges the idea that mega hits are merely escapist entertainments and instead shows how they contribute to the creation of powerful myths about our national life. The analysis of such shows also points towards the possibility of creating an alternative history of postwar British theatre. **The Theatre Guide** Trevor R.

Griffiths, 2014-07-04 With over 500 entries on the most important plays and playwrights performed today *The Theatre Guide* provides an authoritative A-Z of the contemporary theatre scene. From Aristophanes to Mark Ravenhill, *The Alchemist* to *The Talking Cure*, the Guide is both biographically detailed and critically current while an extensive cross-referencing system allows for wider perspectives and new discoveries. Stimulating, observant and informative, *The Theatre Guide* is an essential companion and reference tool for anyone with an active interest in drama. Spare Rib, 1983 AQA GCSE Drama Joy Morton, Ron Price, Rob Thomson, 2001 Written for students taking the AQA GCSE drama specification, this text aims to develop the skills, knowledge and understanding students need to succeed in the course.
