

DAN COATES

POPULAR PIANO LIBRARY

Since 1976, Dan Coates has arranged thousands of popular music titles. Composers and artists such as John Williams, Burt Bacharach, and Elton John have expressed total confidence in Dan's ability to create outstanding piano arrangements that retain the essence of the original music. He has arranged everything from movie, television, and Broadway themes to chart-topping pop and rock titles. In addition to creating piano arrangements for players of all levels, Dan also composes original music for student pianists.

The duets in this series capture a variety of styles and provide valuable experiences in developing listening skills, technique, and musicianship. They are arranged for one piano, four hands, with the *primo* and *secondo* parts on separate, facing pages. Measure numbers are provided for easy reference, while suggestions for fingering and dynamics help prepare students for rehearsals and performances. These pieces are excellent crowd-pleasers that are perfect for recitals, encores, piano ensemble classes—or just plain fun.
