Selected Poems of William Dunbar Lawrence N. Siegler,2010-10-16 This assortment of William Dunbar s extraordinary and impressive poems is presented in an easily accessible form The poems are set forth so that the reader can know the poems as they were intended and better enjoy their beauty spirit and contribution to Western Literature Standard editions of Middle English and Scotch works are published with select obsolete words and some variant spellings translated either at the bottom of the page adjacent to the text or in an appendix When the poems are presented this way the full pleasure of this historic artistic and delightful literature is made more remote and cumbersome to read In contrast an interlinear presentation provides a clearer and more immediate view of the poem itself It speaks better more effortlessly and more directly to readers and should be the standard of presentation for such poetry
