Punch Henry Mayhew,Mark Lemon,Tom Taylor,Shirley Brooks,Francis Cowley Burnand,Owen Seaman,1963 Choked Off Andrea Frazer,2013-10-03 A mischievously entertaining crime novel SIMON BRETT Choked Off is the second instalment in The Falconer Files Andrea Frazer s insanely gripping detective series chock full of picture postcard villages dastardly deeds and a delightful slice of humour Perfect for fans of Agatha Christie Lillian Jackson Braun and Midsomer Murders READER S CAN T GET ENOUGH OF ANDREA S QUIRKY CRIME NOVELS Once I started to read this book I just couldn t stop It s full of mystery love and suspense The 1st book of this series was great I would recommend this book Loved it Reader Review Great books well written characters are very good and as an Agatha Christie reader from 1960s one off the best authors I have read Falconer is like a modern day Poirot Reader Review What a fantastic series The relationship between characters is fascinating More more more Reader Review The story is easy to read with a great combination of twists and turns from the array of characters Reader Review _____ The villagers of Stoney Cross were bustling about like hyperactive ants In gardens houses and the village hall figures flitted to and fro making last minute preparations for their Great Event the first Stoney Cross Arts Festival which was due to commence on Saturday The enlisting of a local radio presenter to advertise then review their efforts had added an extra frisson of excitement But the delight soon turns to dismay when the broadcaster Marcus Willoughby actually moves into a house in Stoney Cross the day before the Festival He turns out to be someone from various people s pasts someone whom they had hoped never to see again and who greets them with recognition and malice in his eyes To those he had never met before he simply proves to be a smarmy spiteful bigot who proceeds to take great delight in verbally shredding their artistic efforts When he is found dead at his desk in his new home no crocodile tears are shed His demise is even presented on air during his pre recorded radio show Marcus having been choked off for good while in full flow His arrival in the village had obviously caused a few already guilty hearts to beat faster and precipitates the hasty confessions of dark deeds thought long since buried Into this welter of emotions join DI Harry Falconer and his erstwhile Acting Detective Sergeant Davey Carmichael riding shotgun as they enter bandit country once more *Southern Belle* Steve M. Smith,2000-12-06 For computer programmer Mike Braker it had been a bad year With his wife gone and his drinking problem getting worse all he wanted to do was hide from his problems Running away was all he had done throughout his life Mike Brakers year was going to get a whole lot worse He was about to come up against a problem from which there would be

no hiding He was about to meet Sean Crane Crane was cool meticulous and unrelenting in his ruthlessness It was these qualities that over the years had made him a top assassin but as the years took their toll his nerves were beginning to show When Braker starts to uncover an intricate computer fraud he is pitted against Cranes professional skills Their battle begins in Spain continues in England New Orleans and Orlando reaching its climax in New York at the height of the Independence Day fireworks display With 75 million diverted to a hidden account the line between hunter and hunted becomes blurred The ultimate race against time to halt a multiple assassination and expose the fraud holds an intriguing triple twist ending that is sure to keep the pages turning

W.A.R. Mike Wall,2024-06-04 A biography that captures the runaway train spirit of Guns N Roses singer Axl Rose and delves into what shaped him as a man and a musician Kirkus Reviews Even in the world of rock and roll someone like Axl Rose doesn t come along very often Mercurial and brilliant deluded and imperious Rose defies easy description or analysis Few people have studied Rose as closely as Mick Wall has Traveling with Guns N Roses and writing about them in the late 1980s and early 1990s Wall first earned Axl s trust and later his fury W A R goes back to the beginning revealing Rose s childhood influences and how he got his name and tracking the birth of the band and their enormous success with albums like Appetite for Destruction and Use Your Illusion With fame and money came substance abuse and infighting and a lead singer who morphed from eccentric to seemingly unhinged Wall s book is richly detailed and offers surprising new views of a variety of Guns N Roses and Axl Rose incidents including the death of two fans at a concert in England Rose s eventual split from every one of the other original band members fights with perceived enemies like Kurt Cobain Motley Crue s Vince Neil and fashion designer Tommy Hilfiger Rose s refusal to show up at concerts throughout his career and his many years as a virtual recluse at his Malibu mansion W A R is about great music bad relationships and the public and private personas of one of the most controversial performers of our time The best rock biography that has ever landed on my desk turns the story of Axl Rose into a profound examination of the pain of fame The Tribune UK A catalog of lawsuits sackings and all round appalling behavior The Daily Telegraph UK It s easy to paint Rose as a wrathful tyrant but Wall has you sympathizing with him Entertainment Weekly
