Hawaii Greg Ward, 2001 This guide to Hawaii covers all of Hawaii's visited islands from the lush resorts and deluxe beaches to the interior wilderness rainforest and volcanoes The book provides comprehensive details on outdoor activities a detailed background on Hawaiian culture and in depth reviews of hotels restaurants and nightlife options to suit every budget **Enchanting Alaska and Exotic Hawaiian Islands** Monimala Ganguly, Diary of a Fascinating Journey to Alaska and Hawaii Let me share a few words about the book America is a vast country filled with diverse natural beauty across various states Among these two exceptionally beautiful states or islands are Alaska and the Hawaiian archipelago It was my privilege to visit these two places My interest in Alaska began during my childhood through geography lessons Hawaii on the other hand intrigued us endlessly These two places are not just about natural beauty they possess unique characteristics of their own The inhabitants their customs attire cuisine religious practices and language set them apart from many other places I've spent nearly twelve days in Alaska mesmerized by its natural beauty From the vast mountain ranges to the tundra regions Arctic areas glacier landings sea planes cruises and experiencing the ocean currents I've tried to capture every

experience in my book I've endeavored to bring readers into that dream world. The extent of my success can only be judged by the readers. Including a few pictures will enhance the readers' connection with the book. I've tried to provide information but instead of burdening the book with facts I've aimed to take readers on a journey with me. If through my writing I can bring joy to a few travel enthusiasts then my effort will be worthwhile. I've spent around 22 days touring the four main islands of Hawaii. The serene beauty of the Pacific Ocean referred to as the queen or heaven of the tranquil ocean due to my son's profound desire urged me to take up the pen and sketch my experiences in diary form. I've attempted to convey the religious practices, deities, the spirit of aloha, language and daily life of the Hawaiian islanders through words, trying to immerse readers in the essence of these islands. The abundant treasures of nature, the amalgamation of colors, scents and flavors of these two places have been captured. I've wielded my pen as the only means to portray the unadulterated gift of nature. Perhaps it's not an easy task but I believe that with perseverance and sincerity, human endeavor capable of winning the hearts of readers. I hope this composition emanating from my heart will resonate with the hearts of readers. I cherish the hope that I can do justice to the opportunity you've given me. I look forward to presenting more compositions to my readers.
