The Long Road Home Joann B. Namorato,2002 That fateful September morning started out like any other The skies were a gorgeous blue nothing like the gray hell they would appear

hours later Joann Namorato was only working in Downtown Manhattan to help alleviate some of the costs of putting two of her three children through college. Despite the financial ease that working in New York City would provide, she feared that a terrorist bombing like the one in 1993 would occur. However, after consulting with friends and family, she came to the conclusion that a second attack on the same location was highly unlikely. *The Long Road Home* is an eyewitness account of the events of September 11, 2001, through the eyes and heart of a woman whose greatest fear was taking place right in front of her. Was it possible that the heart-wrenching lessons of courage she had learned during her painful childhood turned out to be the overwhelming factor in guiding her out of the city that day? Follow us through this woman's incredible life journey and see how the events of 9/11/01 have changed her life and the lives of so many others forever. *The Long Road Home* Marilyn L. Hill, 2009-07-31

The Long Road Home As *The Long Road Home* begins on the eve of World War II, a band of three friends, Tom Cooper, Chris Cason, and Tom's six-year younger sister Casey, are at a crossroads in their lives. When Chris, the natural leader of the three, announces his intentions to join the Army Air Corps, Tom immediately decides to join with him. Casey, having always believed that she would grow up to marry Chris, is devastated. When war breaks out, however, Casey pitches in, eventually becoming a nurse's aide in the Red Cross. Bill Evans, a boy her own age, sees Chris's absence as his opportunity to win her love from Chris. Casey's heart, however, belongs to Chris, leaving Bill angry and resentful. With action in England during the Battle of Britain, Operation Torch in North Africa, and a mission into Italy, *The Long Road Home* details the lives, loves, and losses of the three friends as they continue to intersect. Plane crashes, secret weddings, and secret missions bring with them barriers, but Bill Evans' treachery poses the greatest threat to the friends' happiness. As though the Hand of God were writing the final chapter, Chris, Casey, and Tom battle through the horrors of war and the terror of betrayal to reach the end of their long road home to love, happiness, and each other.
