Dark Continent My Black Arse:

Dark Continent my Black Arse Sihle Khumalo, 2011-03-28 In 2003 Sihle Khumalo decided to give up a lucrative job and a comfortable life style in Durban and to celebrate his 30th birthday by crossing the continent from south to north Celebrating life with gusto and in inimitable style he describes a journey fraught with discomfort mishap ecstasy disillusionment discovery and astonishing human encounters A journey that would be acceptable madness in a white man is regarded by the author's fellow Africans as an extraordinary and inexplicable expenditure of time and money Newly conscious of language barriers and regional difference in a continent still unexplored by the majority of Africans the author presents a strikingly original and highly enjoyable account of a unique adventure Each chapter is prefaced by a description of the father of the nation of the country in question and ends with a hilarious important tip **Postcolonial Poetics** Patrick Crowley, Jane Hiddleston, 2011-01-01 Responding to calls to focus on postcolonial literature's literary qualities instead of merely its political content this volume investigates the idiosyncrasies of postcolonial poetics However rather than privileging the literary at the expense of the political the essays collected here analyze how texts use genre and form to offer multiple and distinct ways of responding to political and historical questions By probing how different kinds of literary writing can blur with other discourses the contributors offer key insights into postcolonial literature's power to imagine alternative identities and societies *The Rough Guide to South Africa* Barbara McCrea, Tony Pinchuck, Ross Velton, 2010-01-04 The Rough Guide to South Africa is the most comprehensive and informative guide available to this spectacular country You'll find detailed information on everything from hiking in the mysterious Drakensberg to sampling wine in the many Western Cape's estates Updated specifically for travellers visiting South Africa for the football World Cup in 2010 Lesotho and Swaziland have been excluded from the book allowing for more in depth information on how to tackle the World Cup in this edition Whether you want to wander the pastel coloured streets of the Bo Kaap explore the Garden Route's dramatic Storms River Mouth or get spine tinglingly close to lions and other big game in Kruger National Park this guide will lead you to the best attractions in South Africa The Rough Guide to South Africa features up to date reviews of all the hottest new places to stay from hotels in South Africa to community minded accommodations and tour companies Find the best restaurants shops bars and clubs in South Africa across every price range giving you balanced reviews and honest first hand opinions Explore all corners of South Africa with authoritative background on everything from local cuisine to desert wildlife relying on comprehensive maps and practical language tips [The Rough Guide to South Africa, Lesotho and Swaziland \(Travel Guide eBook\)](#) Rough Guides, 2018-02-01 Discover South Africa Lesotho and Swaziland with the most incisive and entertaining guidebook on the market Whether you plan to safari in Kruger National Park savour the fine wines of the Western Cape or explore the village where Nelson Mandela grew up The Rough Guide to South Africa Lesotho The Western Cape The Northern Cape The Eastern Cape the Garden Route KwaZulu Natal Durban Free State Gauteng Johannesburg North West
