New Thinking in Complexity for the Social Sciences and Humanities Ton Jörg,2011-08-09 The underlying idea and motive for the book is that the notion of complexity may humanize the social sciences may conceive the complex human being as more human and turn reality as assumed in our doing social science into a more complex that is a richer reality for all The main focus of this book is on new thinking in complexity with complexity to be taken as derived from the Latin word *complexus* that which is interwoven The trans disciplinary approach advocated here will be trans disciplinary in two ways firstly by going beyond the separate disciplines within the fields of both natural sciences and social sciences and secondly by going beyond the separate cultures of the natural sciences and of the social sciences and humanities

Epiphanies Ann Jauregui,2007-07-01 In a quiet moment of therapy a breakthrough comes the miracle of the new To experience an epiphany is to have sudden insight into the essential meaning of something unleashed sometimes in exquisitely slow motion sometimes in a flash In an intimate lyrical integration of the science of psychology and transcendence of spirituality celebrated clinician Dr Ann Jauregui introduces us to nine individuals who have undergone astonishing transformations by exploring a world quite different from the one described by our five senses With moments of miraculous and joyful surprise Epiphanies exposes a reality outside of everyday existence that has momentous implications for life s ultimate questions Shyly we venture out with these stories Dr Jauregui writes into a world where science itself is struggling to describe a realm out of time and space and language We are the beneficiaries of these extraordinary shifts of perspective invited into a sparkling conversation that allows us to see the potential residing in all of us

Earth Calling Ellen Gunter,Ted Carter,2014-04-22 Our earliest mythologies tell us we all start as a little bit of dirt These stories carry a

profound message each of us is born with a deep and abiding connection to the earth one that many of us have lost touch with The Silent Spring for today s environmental activists this book offers an invitation to reestablish our relationship with nature to repair our damaged environment Chapter 1 examines the threats to the planet s health through the lens of the human energy system known as the chakras describing how the broken first chakra relates to our disconnection from our biosphere Chapter 2 shows how our current environmental crises global warming climate change dwindling water resources natural disasters such as wildfires and hurricanes represent severe manifestations of our disconnection from the earth Chapter 3 describes how the preponderance of oil in our culture especially agribusiness compounds this disconnection from our dependence on other countries for our energy to current issues of oil depletion peak oil and fracking to the dumping down of our agricultural polyculture Chapter 4 explains how the most basic building blocks of our nourishment seeds are being compromised with a loss of biodiversity and rise of GMOs and how that adversely affects the farmers whose sacred connection to the land has in many cases been severed Chapter 5 describes the ways in which we as individuals can begin to wake up to climate activism as a spiritual practice This chapter includes specific activities that you can use to implement change and heal your own connection to the earth By learning and practicing ritual and understanding the earth s rhythms and seasonal rites of passage each of us can find unique ways to heal our own connections and help others heal theirs Chapter 6 brings to life Goethe s wisdom Knowing isn t enough neither is being willing We must do by providing strategies and resources for exploring how each of us can find our own Earth Calling then anchoring that calling with the only force that ignites change Action

The Rebirth of the Hero Keiron Le Grice, 2019-06-10 The portrayal of the hero in classical myths and modern films continues to exert a compelling influence on the collective imagination entertaining and inspiring audiences the world over On a deeper level the myth of the hero s adventure is recognized as a fundamental pattern of human experience itself a symbolic expression of the individual s struggle for greater consciousness psychological wholeness and spiritual realization In The Rebirth of the Hero Keiron Le Grice draws on the ideas and life experiences of C G Jung Joseph Campbell and Friedrich Nietzsche to explore the spiritual journey of the modern self from existential crisis and the awakening of the self to the dramatic encounter with the underworld of the psyche and the arduous labour of spiritual transformation In a work of wide ranging scope and penetrating insight Le Grice analyzes scenes from a number of popular films Jason and the Argonauts Star Wars The Lord of the Rings Pan s Labyrinth and more to illuminate the themes and stages of psychospiritual rebirth and individuation helping to make the deepest of transformative experiences more readily accessible and intelligible to us all Drawing interchangeably on classical Greek myths Christianity alchemy Romanticism and depth psychology the author also relates the individual s personal journey of transformation to the relationship in Western civilization between spirit and nature reason and instinct and masculine and feminine In so doing The Rebirth of the Hero demonstrates the critical significance of the archetypal pattern of the hero not only for the individual but also for cultural

renewal and the wider spiritual transformation of our time

The Colonial Shadow Kira Celeste, 2023-02-24 The Colonial Shadow examines the colonial psychology that has shaped what is now known as Canada This psychology has perpetrated devastating harm over the last half a millennium and continues to oppress Indigenous people and degrade the environment This book is inspired by the tenet of depth psychology that stories and myths from one's own ancestry can bring about transformation and deep changes in perspective As such it investigates how an alchemical way of imagining into white settler colonial consciousness might contribute to its accountability and psychological healing today The Colonial Shadow will be an invaluable resource for professionals academics and students of Jungian and post Jungian ideas settler colonial and First Nations studies sociology anthropology and cultural studies as well as for anyone interested in addressing the colonial complex
