A Book of Cambridge Verse (Classic Reprint) Ernest Edward Kellett, 2018-02-02 Excerpt from A Book of Cambridge Verse Nevertheless after all deductions have been made how much true poetry is yet left He must be hard to please who cannot find intense enjoyment in the Eclogues of Phineas Fletcher in Cowley's epitaph on Harvey in the Miltonic stanzas of Gray's Installation Ode in a score of other pieces grave quaint or classical in their allusive ness of phrasing Especially grateful must we be to the number of poets of exquisite feeling and easy mastery of form who during the last fifty or sixty years have enriched the language with delicate and elegant verse from which it has been only too difficult to choose because its quantity is so great and its merit so even Of this we trust we have given a tolerably adequate selection but it would have been easy to multiply it fourfold About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
