Climbing Our Mountains Step Time:

Finding Joy on the Mountain Climb Lori Arnold-Grine PhD, 2014-12-12 Living with chronic illness can make life seem like a steep mountain climb How do you find the strength to climb on and face each day with pain and suffering Finding Joy on the Mountain Climb is a story of encouragement and hope enriched with scripture and prayer Written during a chronic illness battle Arnold Grine shares how a deep personal relationship with God helped her take One Step at a Time She also includes 40 days of inspirational devotions from her health blog to help find purpose peace and comfort in the battle Discover how God will carry you through a struggle and equip you for the climb in her testimony Every day with chronic illness I must take up my cross and follow where God leads me up this mountain My hand is in His the only way I want to travel this difficult journey It has brought me to a deeper relationship with God and through it I wish to share my story of hope and offer encouragement to others The focus is not on the mountain climb but on the Lord getting me to the summit to praise Him and finding joy in the journey by leaning heavily on Him Inspired by Psalm 46 10 Be still and know that I am God I take one step at a time with Him It is within the battle that we find ourselves committed to what matters most As I lean not on my own understanding God offers peace and light to pave my pathway He gives strength for the journey and carries me Give me Jesus for the journey and as I walk closely with Him may He bless others through me It is my prayer that this story encourages others to praise God on the mountain climb

Climb the Mountain Pearl P. Glasgow,2012-06 It explores the possibility of a new beginning even after one experiences what they consider to be failure It starts off by looking at the number 8 as the number of new beginnings the eighth day was the dawn of a new beginning for Adam in the garden That was the beginning of God releasing His creation over to Adam to take care of it and cultivate it taking Adam s life to a new standard of living There are seven days in a week but the eighth day is a completely new beginning to a new week of new possibilities and new opportunities The author encourages the reader If for any reason you felt that you have failed in the past now is the time to begin again with a view to climbing those mountains in your life The mountain peaks of achievement and advancement are never crowded Not many people aspire to climb because it is hard work But what most people fail to realize is the significance of just being on the mountain The climb is usually difficult but the benefits are overwhelming You must have the vision to dream big the strength and courage to reach what others describe as impossible and the determination and will to transform your life into a miracle
