

"What?" the creature echoes, pining. Her hands are wrapped under her huge breasts, hefting the already impossibly-perky mountains up. The smile on her black lips grows a little wider, and you see a slender, heart-tipped tail curl around one of her cloven legs, thick and covered in fur like a drake's. "Tid! I'm not a what, little human," she coos, leaning down. You hadn't realized how close she was, now barely an arm's reach away. She looms over you, horns and wings making her seem as positively infernal.

But she's smiling. "I am Karyra. Do try and close your jaw, darling. You're the first person I've seen in this wonderful... and cold!... new world. Don't you want to make a good first impression?"

Before you can process her statement, she reaches down and hooks a claw under your chin. You gasp, heart hammering, instinctually struggling against her. Still smiling, Karyra gives you a little push, clicking your teeth together where your mouth had been agape before. She gently turns your head up, forcing you to look her in her slanted eyes.

"That's the first time I've ever travelled through a portal. The first time anyone born on my world has, I should think! It took the fall of a queen to provide the opportunity I needed to steal the secrets, and then the sheer power required to make use of them... I doubt you can comprehend it. Do you want to know what it felt like?"

You blink, unsure. She just smiles and flicks your head aside, releasing you and standing up to her full, impressive height. "It felt **amazing!**" she roars, thrusting her wings and arms out. "I've never been so hot before. So turned on! Why does a portal make you want to **fuck** little humans? A month in the agent's headlines isn't held a candle to the fire in me.
