

Classical Dictionary

Classical Dictionary Wordsworth Collection

Stephen Harrison, Christopher Pelling

Classical Dictionary Wordsworth Collection:

The Wordsworth Classical Dictionary William Smith, 1996 This text includes all the names a classical studies student is likely to encounter and the mythological entries are illustrated by line drawings It covers the geography myths legends and characters of the classical world Amazon *Wordsworth's Classical Undersong* Richard Clancey, 2016-06-01 Wordsworth's classical education presents an amazing paradox Gifted teachers trained him in the full rigours of classical Latin and Greek But Wordsworth's schoolmasters were enlightened liberal and advanced They were committed to the Classics and to modern literature In their enthusiasm they shared their volumes of contemporary poetry with Wordsworth His was a holistic literary education Wordsworth developed a profound love for the Classics and thus an enlightened zeal for a new poetry a poetry capable of being compared with and even daring to compete with the Classical texts he so dearly loved Richard Clancey's meticulously researched study presents new biographical information on Wordsworth's classical education and new facts about the education of his teachers *Classical Scholarship and Its History* Stephen Harrison, Christopher Pelling, 2021-04-06 It is unusual for a single scholar practically to reorient an entire sub field of study but this is what Chris Stray has done for the history of UK classical scholarship His remarkable combination of interests in the sociology of scholars and scholarship in the history of the book and of publishing and especially in the detailed intellectual contextualisation of classical scholarship as a form of classical reception has fundamentally changed the way the history of British classics and its study is viewed A generation ago the history of classical scholarship still consisted largely of accounts of particular scholars and groups of scholars written by other scholars from a broadly biographical and heroic individual perspective In these works scholars often sought to find their own place in the great tradition choosing to praise or blame those whose work they admired or deprecated and to identify with particular schools or trends and there were few attempts to provide a broader and less prosopographical perspective Almost all the chapters in the volume originated as papers at a conference in honour of the honorand and have been improved both by discussion there and by the rigorous peer review process conducted by the two experienced editors It covers various aspects of classical reception with a particular focus on the history of scholars their institutions and their writings the main focus is on the UK but there are also substantial engagements with continental Europe and especially the USA the period covered runs from the Renaissance to the present The cast contains a number of world famous names Unusually the volume also contains an essay by the honorand but we are very keen to include this especially as it focusses on the topic of scholarly collaboration **A Catalogue of the Library collected by Miss Richardson Currer at Eshton Hall, Craven, Yorkshire. By C. J. Stewart. [With plates.]** Frances Mary Richardson CURRER, Charles James STEWART (Bookseller.), 1833 *Wordsworth's Ethics* Adam Potkay, 2015-03-15 A comprehensive examination that breathes new life into Wordsworth and the ethical concerns that were vital to his nineteenth century readers Why read Wordsworth's poetry indeed why read poetry at all Beyond any pleasure it might give can it make one a

better or more flourishing person These questions were never far from William Wordsworth s thoughts He responded in rich and varied ways in verse and in prose in both well known and more obscure writings Wordsworth s Ethics is a comprehensive examination of the Romantic poet s work delving into his desire to understand the source and scope of our ethical obligations Adam Potkay finds that Wordsworth consistently rejects the kind of impersonal utilitarianism that was espoused by his contemporaries James Mill and Jeremy Bentham in favor of a view of ethics founded in relationships with particular persons and things The discussion proceeds chronologically through Wordsworth s career as a writer from his juvenilia through his poems of the 1830s and 40s providing a valuable introduction to the poet s work The book will appeal to readers interested in the vital connection between literature and moral philosophy

Chamber's Biographical Dictionary David

Patrick, Francis Hindes Groome, 1900 Chambers's Biographical Dictionary David Patrick, Francis Hindes Groome, 1898

Unveiling the Power of Verbal Beauty: An Emotional Sojourn through **Classical Dictionary Wordsworth Collection**

In a global inundated with monitors and the cacophony of fast conversation, the profound power and emotional resonance of verbal art frequently fade in to obscurity, eclipsed by the regular onslaught of noise and distractions. However, situated within the lyrical pages of **Classical Dictionary Wordsworth Collection**, a interesting function of fictional splendor that impulses with fresh thoughts, lies an unforgettable trip waiting to be embarked upon. Composed by way of a virtuoso wordsmith, this mesmerizing opus guides visitors on a mental odyssey, delicately exposing the latent possible and profound influence embedded within the complicated internet of language. Within the heart-wrenching expanse with this evocative examination, we will embark upon an introspective exploration of the book is main styles, dissect their fascinating writing fashion, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
