Creating Curriculum Using Children's Picture Books, Grades PK - 1 Sherrill B. Flora, Kelly Gunzenhauser, 2010-06-11 Facilitate literacy in students in grades PK 1 with Creating Curriculum Using Children's Picture Books This 96 page book connects basic skills to 18 stories that students already love Each featured storybook provides connections to language arts math social studies science art motor skills creative dramatics and social skills This resource includes information for teaching with favorites such as Clifford the Big Red Dog Corduroy Goodnight Moon If You Give a Mouse a Cookie and The Polar Express The book supports National Science Education Standards and NAEYC NCTE NCTM and NCSS standards

Disabilities and the Library Clayton A. Copeland, 2022-11-11 Librarians need to understand the needs and abilities of differently abled patrons and anyone responsible for hiring and managing librarians must know how to provide an equitable environment This book serves as an educational resource for both groups Understanding the needs and abilities of patrons who are differently abled increases librarians ability to serve them from childhood through adulthood While some librarians are fortunate to have had coursework to help them understand the needs and abilities of the differently abled many have had little experience working with this diverse group In addition many persons who are differently abled are or would like to become librarians **Disabilities and the Library** helps readers understand the challenges faced by people who are differently abled both as patrons and as information professionals Readers will learn to assess their library's physical facilities programming staff and continuing education to ensure that their libraries are prepared to include people of all abilities Inclusive programming and collection development suggestions will help librarians to meet the needs of patrons and colleagues with mobility and dexterity problems learning differences hearing and vision limitations sensory and cognitive challenges autism and more Additional information is included about assistive and adaptive technologies and web accessibility Librarians will value this accessible and important book as they strive for equity and inclusivity

Giant Book of Preschool Activities, Grades PK - K, 2009-01-19 Help students in grades PK K make connections and reinforce learning while keeping the classroom manageable using **Giant Book of Preschool Activities** This 304 page book provides practice for the skills and functions needed for early childhood development With more than 26 themes and 500 activities this book makes it practically impossible to run out of ideas for teaching social motor memory and auditory skills The book includes ideas for movement rhyming circles counting games and centers and comes with reproducibles literature selections Web site suggestions and an index of activities by skill This book supports NAEYC standards and aligns with state national and Canadian provincial standards

Raising Raffi Keith Gessen, 2022-06-07 A wise mild and enviably lucid book about a chaotic scene Dwight Garner The New York Times Memoirs of fatherhood are rarely so honest or so blunt Daniel Engber The Atlantic An instant classic M C Mah Romper NAMED A MOST ANTICIPATED BOOK OF 2022 BY LIT HUB THE MILLIONS An unsparing loving account of fatherhood and the surprising magical and maddening first five years of a son s life I was not prepared to be a father this much I knew Keith Gessen was nearing forty and hadn t given much thought to the idea of being a father He assumed he would have kids but couldn t imagine what it would be like to be a parent or what kind of parent he would be Then one Tuesday night in early June the distant idea of fatherhood came careening into view Raffi was born a child as real and complex and demanding of his parents energy as he was singularly magical Fatherhood is another country a place where the old concerns are swept away where the ordering of time is reconstituted where days unfold according to a child s needs Whatever rulebooks once existed for this sort of thing seem irrelevant or outdated Overnight Gessen s perception of his neighborhood changes suddenly there are flocks of other parents and babies playgrounds and schools that span entire blocks Raffi is enchanting as well as terrifying and like all parents Gessen wants to do what is best for his child But he has no idea what that is Written over the first five years of Raffi s life Raising Raffi examines the profound overwhelming often maddening experience of being a dad Gessen traces how the practical decisions one must make each day intersect with some of the weightiest concerns of our age What does it mean to choose a school in a

segregated city How do you instill in your child a sense of his heritage without passing on that history's darker sides Is parental anger normal possibly useful or is it inevitably authoritarian and destructive How do you get your kid to play sports And what do you do in a pandemic when the whole world seems to fall apart By turns hilarious and poignant Raising Raffi is a story of what it means to invent the world anew Picture Books for Children Mary Northrup, 2012-03-12 Revised edition of Picture books for children Patricia J Cianciolo Fourth edition 1997 **School Library Journal**, 2007 **Teaching Reading in the 21st Century** Michael F. Graves, 2007 **Children's Books** Phyllis Van Orden, Sunny Strong, 2007 So many books so little time so many needs so little budget If this describes your situation here's a new book to help you approach book selection confidently and strategically If you are new to the library environment in charge of training new librarians or paraprofessionals or looking for new ideas in collection development this resource is a must have Phyllis Van Orden a past president of both the Association for Library Services to Children and the Association for Library and Information Science Education and Sunny Strong share their advice for establishing general criteria and following guidelines choosing diverse material using selection tools effectively special selection criteria for specific genres including picture books fiction genre fiction folk literature rhymes and poetry and special guidelines for selecting particular subjects
