

A COMPARE & CONTRAST ACTIVITY CINDERELLA STORIES

PURPOSE OF RESOURCE:

The purpose of this resource is to help your students understand the concept of comparing and contrasting. Being able to compare and contrast two stories or ideas is an important part of being an effective reader. Students will be reading different Cinderella versions as part of this activity.

Resources Included:

- Cinderella Stories Teacher Tips (1-page)
- Cinderella Stories Slideshow (5-slides)
- Cinderella Stories Student Handout (1-page)
- Cinderella Book Titles (1-page)

Tips for Resource:

The following tips are only suggestions for you as a teacher. Feel free to adapt to fit the needs of your students.

- **Cinderella Stories Slideshow:** You can introduce this compare and contrast activity with the slideshow. The slideshow contains five slides. You will need a version of Disney's Cinderella for this. There may also be an online version of this.
- **Cinderella Stories Student Handout:** It will be up to you if you want this to be a partner, group, or entire class process. Provide a copy of the handout to each student.
- **Cinderella Book Titles:** This is a list of 20 Cinderella book titles from different cultures around the world. Prior to the activity, you will want to have some available for your students to read. Your school or local library will hopefully have some hard copies of these.

Q & A: What if I can only find a few copies of the Cinderella stories?

This activity can still be done if you only have a few titles. Here are a few options if this is the case:

- Online versions of stories could be available depending on what your school subscribes to. Also, there could be some internet sites out there that would have a story available.
- Rotate the stories. For example, if you only have 5 stories and 5 groups, have groups rotate the stories to the next group when they are done reading one.
- When a group finishes reading one story, have them put it up front on a table for another group to use. That way, another group can read it when they are ready.
- Do the activity as an entire class. You or a student can read the story.
- **Student Engagement Ideas:** The following are some ideas for student engagement for this activity.
 - Prior to the activity, compare and contrast two other stories or ideas as a class (<http://www.GlobeA-Mooned-a-Cookiee-variant-If-You-Give-a-Mooned-a-Muffin>, black bear versus polar bear, Mars versus Venus, etc.). Use the Venn Diagram that is provided.
 - Ask your students to share chores they do at home that they don't mind doing and chores that they do not like doing.
 - Play a music video that relates to Cinderella.
