

The book cover features a detailed, ornate border. At the top, there are illustrations of various navigational instruments: a sextant on the left, a celestial globe in the center, and a quadrant on the right. Below these, the border is filled with intricate designs, including two large circular diagrams on the left (one showing a celestial sphere with intersecting orbits, the other a compass rose), and two large circular diagrams on the right (both compass roses). The bottom section of the border contains a map of the world, showing the continents of North America, South America, Africa, Europe, and Asia, along with the Arctic and Antarctic regions. The map is labeled with various geographical names and coordinates.
