Chase Online Banking Contact:

Racing to Keep Up Doug Fodeman, 2009-06 *Racing to Keep Up* is a unique and informative book offering parents and educators real life solutions to better understand and guide children's use of technology. By providing specific strategies and up to date technological information within a framework of understanding the developmental stages of children and teens *Racing to Keep Up* is a must read book. It helps parents set up rules for technology use that are developmentally appropriate for children and teens and that are designed to better protect children from the risks and issues that arise online and through the use of cell phones. *Racing to Keep Up* educates parents about the many scams and fraudulent ads that target children, teens and adults through email, text messages and web sites. This book teaches you to protect the family computer, your online privacy and yourself while giving you the words and language to help your children negotiate technology safely.
