Charlotte Russe Careers:

The Culinarians David S. Shields, 2017-10-26 A first ever history of the nation's foundational culinarians the chefs caterers and restaurateurs who made cooking an art Marcie Cohen Ferris author of *The Edible South* In this encyclopedic history of the rise of professional cooking in America the 175 biographies include the legendary Julien founder in 1793 of America's first restaurant Boston's Restorator and Louis Diat and Oscar of the Waldorf the men most responsible for keeping the ideal of fine dining alive between the World Wars Though many of the gastronomic pioneers gathered here are less well known their diverse influence on American dining should not be overlooked plus their stories are truly entertaining We meet an African American oyster dealer who became the Congressional caterer and thus a powerful broker of political patronage a French chef who was a culinary savant of vegetables and drove the rise of California cuisine in the 1870s and a rotund Philadelphia confectioner who prevailed in a culinary contest with a rival in New York by staging what many believed to be the greatest American meal of the nineteenth century He later grew wealthy selling ice cream to the masses Shields also introduces us to a French chef who brought haute cuisine to wealthy prospectors and a black restaurateur who hosted a reconciliation dinner for black and white citizens at the close of the Civil War in Charleston Altogether *The Culinarians* is a delightful compendium of charcuterie makers pastry pipers caterers railroad chefs and cooking school matrons not to mention drunks temperance converts and gangsters who all had a hand in creating the first age of American fine dining and its legacy of conviviality and innovation that continues today

Savoring Gotham , 2015-11-11 When it comes to food there has never been another city quite like New York The Big Apple a telling nickname is the city of 50 000 eateries of fish wriggling in Chinatown baskets huge pastrami sandwiches on rye fizzy egg creams and frosted black and whites It is home to possibly the densest concentration of ethnic and regional food establishments in the world from German and Jewish delis to Greek diners Brazilian steakhouses Puerto Rican and Dominican bodegas halal food carts Irish pubs Little Italy and two Koreatowns Flushing and Manhattan This is the city where if you choose to have Thai for dinner you might also choose exactly which region of Thailand you wish to dine in *Savoring Gotham* weaves the full tapestry of the city's rich gastronomy in nearly 570 accessible informative A to Z entries Written by nearly 180 of the most notable food experts most of them New Yorkers *Savoring Gotham* addresses the food people places and institutions that have made New York cuisine so wildly diverse and immensely appealing Reach only a little ways back into the city's ever changing culinary kaleidoscope and discover automats the precursor to fast food restaurants where diners in a hurry dropped nickels into slots to unlock their premade meal of choice Or travel to the nineteenth century when oysters cost a few cents and were pulled by the bucketful from the Hudson River Back then the city was one of the major centers of sugar refining and of brewing too 48 breweries once existed in Brooklyn alone accounting for roughly 10% of all the beer brewed in the United States Travel further back still and learn of the Native Americans who arrived in the area 5 000 years before New York was New York and who planted

the maize squash and beans that European and other settlers to the New World embraced centuries later Savoring Gotham covers New York's culinary history but also some of the most recognizable restaurants eateries and culinary personalities today And it delves into more esoteric culinary realities such as urban farming beekeeping the Three Martini Lunch and the Power Lunch and novels movies and paintings that memorably depict Gotham's foodscapes From hot dog stands to haute cuisine each borough is represented A foreword by Brooklyn Brewery Brewmaster Garrett Oliver and an extensive bibliography round out this sweeping new collection

Rich Friends Jacqueline Briskin, 2015-04-21 New York Times

bestselling author Jacqueline Briskin's steamy romantic saga about two generations of a privileged California family that chases the American dream from the post World War II boom years to the turbulent psychedelic 1960s The year 1946 in America is a time for seizing opportunities and the best way for a woman to get ahead is to marry well Descended from the wealthy Van Vliets owners of a successful supermarket chain Em Wynan is the first of her sorority sisters to walk down the aisle with a handsome war veteran Nine months later she delivers fraternal twin sons Em's younger sister the fun loving Caroline is her polar opposite championing liberal causes at UCLA and falling in love with a radical writer For Caroline's best friend Beverly Linde finding the right husband is more complicated because as a Holocaust survivor she will carry the stigma and horrors of World War II forever Set against the backdrop of a radically changing American landscape the lives of these three women intersect through decades of friendship rivalry love and inconsolable loss As Em Caroline and Beverly's children come of age during the 1960s a time of danger and drugs the breakdown of society's sexual taboos and inner peace found among bizarre cults they discover that parents cannot always save their children from tragedy even if they have powerful rich friends Steeped in atmosphere and authentic historical detail Jacqueline Briskin's novel of ambition hope and family still resonates today

Sexing the Maple Richard Cavell, Peter Dickinson, 2006-09-14

Sexing the Maple is a unique sourcebook designed to raise issues of nationalism and sexuality in Canada through a rich and diverse selection of fiction poetry criticism and history Structured so as to provide an interactive study of these issues the collection considers topics as wide ranging as First Nations sexuality censorship assisted reproduction and religion Literary works by Alice Munro Jane Rule Timothy Findley Leonard Cohen Irving Layton Lynn Crosbie Michael Turner and many others are juxtaposed with criticism and historical documents many of which were previously out of print or unavailable Selections include Marshall McLuhan's 1967 article *The Future of Sex* and excerpts from Stan Persky and John Dixon's *Kiddie Porn* SKY Lee's *Disappearing Moon Cafe* and Margaret Atwood's *A Handmaid's Tale*

Good Girl Messages Deborah O'Keefe, 2016-10-06

For much of the 20th century books for children encouraged girls to be weak submissive and fearful This book discusses such traits both blatantly and subtly reinforced in many of the most popular works of the period Quoting a wide variety of passages O'Keefe illustrates the typical behaviour of fictional girls many of whom were passive and immobile while others were actually invalids They all engaged in approved girlish activities deferred to elders observed the priorities and in the end accepted conventional suitors

Even feisty tomboys like Jo in *Little Women* eventually gave up on their dreams and their independence. The discussion is interlaced with moments from the author's own childhood that suggest how her developing self interacted with these stories. She and her contemporaries, trying to reconcile their conservative reading with the changing world around them, learned ambivalence rather than confidence. *Good Girl Messages* also includes a discussion of books read by boys who were depicted as purposeful, daring, and dominating. *The Theatre*, 1885. Vol. for 1888 includes dramatic directory for Feb-Dec; vol. for 1889 includes dramatic directory for Jan-May. *the theatre*, Clement Scott, 1885. *The Theater*, 1885. *Professional Baking*, Wayne Gisslen, 2008-03-03. Provides step-by-step instructions for professional baking techniques, covers baking principles, equipment, and ingredients, and includes more than nine hundred recipes as well as tips on baking for special diets. *New Amsterdam Gazette*, 1891.
