Quicken 2009: The Missing Manual Bonnie Biafore, 2008-09-17 Quicken is a convenient way to keep track of personal finances but many people are unaware of Quicken's power and end up using only the basic features. Sometimes Quicken raises more questions than it answers. Return of capital from stock. Net worth. What are they and why do you need to know about them. Luckily Quicken 2009 The Missing Manual picks up where Quicken's help resources leave off. You'll find step by step instructions for using Quicken on your Windows PC including useful features such as budgeting, recording investment transactions, and archiving Quicken data files. You also learn why and when to use specific features and which ones would be most useful in a given situation. This book helps you set up Quicken to take care of your specific needs. Follow your money from the moment you earn it. Make deposits, pay for expenses, and track the things you own and how much you owe. Take care of financial tasks online and quickly reconcile your accounts. Create and use budgets and track your investments. Generate reports to prepare your tax returns and evaluate your financial fitness. And a lot more. Quicken 2009 The Missing Manual accommodates readers at every technical level, whether you're a first time or advanced Quicken user. For a topic as important as your personal finances, why trust anything else. **Quicken 2008** Bonnie Biafore, 2007-11-15 Finance **Kiplinger's Personal Finance**, 1997-12 The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership, and many other personal finance topics. *Winning the Paper Chase* David Lam, 2004-04 Proprietors of home and small offices will learn how to streamline their electronics budget and boost computer productivity in this step by step guide to buying and managing low cost high yield computer systems. The guide describes in plain English the kinds of hardware and software to buy, where to purchase them for less money, how to install and operate them, and how to integrate system components so that they work together as a seamless digital whole. With an enlightened understanding of their digital workspace, small business owners will boost business performance, save money, and free up time for more essential office tasks. **Quicken for Contractors** Karen Mitchell, Jim Erwin, Craig Savage, 1998 This book/disk set can turn a contractor's computer into a tireless timesaving office manager/bookkeeper. They contain step by step instructions for setting up a construction business using Quicken. The book and disk takes readers from setting up accounts and payroll to investment accounts and through the reporting process. **The Whole Internet** Kiersten Conner-Sax, Ed Krol, 1999 Explains how to deal with everyday problems on the Internet such as unsolicited e-mail and security alerts and tells how to take advantage of new services on the Web like buying and selling goods, trading stock, and playing games. Other areas covered include downloading and installing files, creating Web pages, banking, and esoteric and emerging technologies. A 60 page resource catalog describes a wide range of sites plus celebrities' favorite sites. There is also a section on commercial and financial resources. Annotation copyrighted by Book News, Inc.
