Chase Online Service Agreement:

Drafting Internet Agreements Gregory J. Battersby, Charles W. Grimes, Leonard T. Nuara, 2010-01-01 Drafting Internet Agreements Second Edition is the most comprehensive single volume collection of annotated forms for the internet. The book also offers valuable insights for business executives who want to know how internet transactions are structured and how to negotiate the best deals. This easy to use reference with accompanying CD ROM offers instant access to more than 40 sample agreements for every area of internet practice including Internet advertising, Internet consulting, Electronic commerce, Internet joint ventures, Internet licensing, Technology development, Website agreements, And more. Each form has been developed by the authors or other experienced internet law practitioners and has been used in actual transactions. Organized by type of transaction, each chapter includes a full agreement that illustrates the entire transaction as a seamless whole, as well as a variety of agreements for closely related issues. For each form, the authors provide a brief overview, an analysis of the different kinds of forms that relate to the topic, and a description of the form's applicability and use. Coverage includes: Developing the content portion of the website; Seeking intellectual property protection of website content; Resolving domain name disputes; Seeking to recover a domain name to which you have rights; Linking a website to other sites; Raising capital to develop and operate a site; Marketing the Internet site; Selling advertising on the internet site; And more. A "Practice Tips and" section before each form identifies the "hot spots" that are likely to arise during the transaction and offers guidance on resolving these hotly negotiated provisions quickly. Detailed checklists assist in drafting the final agreement. Drafting Internet Agreements Second Edition also includes a free companion CD ROM containing over 40 forms presented in the guide, making it easy to incorporate the forms into a word processing program.

Drafting Effective Contracts Robert A. Feldman, Raymond T. Nimmer, 1999-01-01 The professional's favored tool for over a decade, this backbone reference provides a comprehensive set of drafting elements that can be used from contract to contract. Move step by step through the contract creation process and from conducting the initial client meeting to closing the deal, with detailed discussions of the eleven essential drafting elements: parties, recitals, subject, consideration, warranties and representations, risk allocation, conditions, performance dates, and term boilerplate and signatures. By Robert A. Feldman and Raymond T. Nimmer. A favorite reference tool for professional drafters for over a decade, Drafting Effective Contracts combines a clear analysis of how effective agreements are structured with a practical breakdown of the essential elements of any contract, giving you the best way to draft contracts. This completely updated practical reference guide presents a consistent structural analysis and a comprehensive set of drafting elements that can be used from contract to contract. You are led step by step through the process by which contracts are created, given clear sample contract provisions and offered direction around the obstacles that may be encountered in drafting agreements for goods and services, promissory notes, guaranties, and secured transactions. Drafting Effective Contracts provides a complete handbook for drafting legal agreements that work. For starters,

you get a practical and comprehensive approach to the overall contract process and from conducting the initial client meeting to closing the deal You and I find a detailed discussion of the 11 drafting elements that every contract may have Parties Recitals Subject Consideration Warranties and Representations Risk Allocation Conditions Performance Dates and Term Boilerplate Signatures After you get a solid explanation of these essential elements and how they are assembled to create effective contracts you get key strategies for negotiating the agreement and closing the deal You get an overview of the legal concepts that underpin various types of agreements and such as promissory notes guarantees security agreements and agreements for the sale of goods and services Then you and I see how to apply the drafting elements to create the finished contract You also get an array of sample agreements and contracts as well as statutory material Only Drafting Effective Contracts combines the best benefits of a forms book and a treatise to give you the most complete tool for building effective legal agreements

Law 101 Jay Feinman, 2014-08-01 In each of the first three editions of the bestselling Law 101 Jay Feinman gave readers an upbeat and vivid examination of the American legal system Since the third edition was published in 2010 much has happened several key Supreme Court cases have been decided we've seen sensational criminal trials and the legal system has had to account for the latest developments in Internet law This fully updated fourth edition of Law 101 accounts for all this and more as Feinman once again provides a clear introduction to American law The book covers all the main subjects taught in the first year of law school and discusses every facet of the American legal tradition including constitutional law the litigation process and criminal property and contracts law To accomplish this Feinman brings in the most noteworthy infamous and often outrageous examples and cases We learn about the case involving scalding coffee that cost McDonald's half a million dollars the murder trial in Victorian London that gave us the legal definition of insanity and the epochal decision of Marbury vs Madison that gave the Supreme Court the power to declare state and federal law unconstitutional A key to learning about the law is learning legal vocabulary and Feinman helps by clarifying terms like due process and equal protection as well as by drawing distinctions between terms like murder and manslaughter Above all though is that Feinman reveals to readers of all kinds that despite its complexities and quirks the law can be understood by everyone Perfect for students contemplating law school journalists covering legislature or even casual fans of court television shows Law 101 is a clear and accessible introduction to the American legal system New to this edition Featured analysis of the Obamacare case Citizens United the DOMA decision the Trayvon Martin case As well as recent legal developments pertaining to online contracting mortgages police investigations criminal sentencing
