Greaney, 2004 The Space Within Michael

Neill, 2016-05-03 There is a space within you where you are already perfect whole and complete It is pure consciousness the space inside of which all thoughts come and go When you rest in the feeling of this space the warmth of it heals your mind and body When you operate from the infinite creative potential of this space you produce high levels of performance and creative flow When you sit in the openness of this space with others you experience a level of connection and intimacy that is breathtakingly enjoyable and filled with love And when you explore this space more deeply you will find yourself growing closer and closer to the divine even if you're not sure there is such a thing and wouldn't know how to talk about it if there was Every problem we have in life is the result of losing our bearings and getting caught up in the content of our own thinking the solution to every one of those problems is to find our way back home This is both the invitation and the promise of this book One problem One solution Infinite possibilities Are you ready to begin **The Birth of a Blessing** Edward G. Robinson, 2010-02-17 In *The Birth of a Blessing* A Fertile Spirit the author compares the Spiritual Birth process with the natural birth process He takes us on a journey step by step that demonstrates God's work in us and through us as well as how to strengthen our faith in Him No believer man or woman is excluded from spiritual pregnancy For every believer has the right to spiritual blessings Believers must nurture the special seed that is planted within them until it is mature enough to be delivered God has prepared a special blessing for those who love and trust Him As with natural pregnancy the first trimester is the most critical During the earlier stage the enemy lurks in every corner waiting to snatch the seed of the word of God out of the believer like the seed that fell on stony ground That seed was initially received with joy just like the natural news of pregnancy However if the seed is not planted deeply the seed cannot take root as it should Moreover when trouble comes the initial enthusiasm is lost and the pregnancy is aborted This book examines the development of the believers faith and

spiritual strength The full term birthing of the blessing is the most anticipated part By the time it comes to fruition believers are certain of their spiritual convictions and faith in God and have gained confidence This however does not guarantee them freedom from trials and temptation Satan is always around to put doubt in the hearts of believers no matter how strong or weak their faith is This book is filled with the Word of God and the works of God It provides clear and concise help in bringing understanding to the preparation that precedes the blessings that God has promised for our lives Not only is this book a valuable resource for every believer truly seeking to know the will of God and walk in it but it is also a powerful teaching tool that will benefit ministry groups of any size I pray that this book will aid in bringing about a supernatural revelation that will change your life forever What God has for you is for you Dr. Chase's Old-Time Home Remedies Alvin Wood Chase,2020-02-11 A Classic Collection of Original Medical Remedies and Household Recipes Written by traveling physician Dr Alvin Wood Chase this reprint of Dr Chase s Recipe Book and Household Physician on Practical Knowledge for the People features a well of practical information on dozens of topics and subjects including Home remedies for illnesses and injuries Nursing and midwifery Food Household maintenance Beekeeping Medical terminology and diseases And many more The book provides an in depth look into more than eight hundred wildly varied and fascinating recipes which helped and can still help people with everyday health concerns and various household chores It also gives readers a unique look at what life was like more than 130 years ago **Greatness** Don Yaeger,2011-10-24 GREATNESS is a motivational book whose target audience is found in business and self help It is a life book aimed at inspiring others to achieve their personal and professional best Opening with an in depth discussion of the nature of Greatness what it is what it is not and why it is worth pursuing each subsequent chapter of the book consists of a detailed story illustrating one aspect of Greatness with examples from the sports greats that Don has interviewed over the years This will be followed by a discussion and other related examples There are also practical tips and plans for assisting the reader in implementing new habits routines practices and philosophies of Greatness into his or her daily life As each characteristic is outlined the reader is challenged to look for areas in his or her professional and personal lives that can be improved by embracing these lessons As Don often says during his speeches Though these characteristics are culled from some of the greatest winners in sports not a single one requires you to be able to touch your toes These iconic figures in sports have provided a classroom for us to learn about their pursuit of Greatness You don t have to be good at sports heck you don t even have to like sports to benefit from their lessons It is the strong belief of those who Don has talked to over the years that greatness is available to all of us Not in the same way or on the same field mind you But we all have the capacity to achieve greatness if we ll give the same dedication to these characteristics as do the winners presented and interviewed in GREATNESS **Reports of Cases Decided by Chief Justice Chase in the Circuit Court of the United States** Bradley T.
