Chaucer's Dream Visions and Shorter Poems William A. Quinn, 2019-05-17 **Chaucer's Dream Poetry** Barry A. Windeatt, 1982 This volume makes available in translation the texts that lie behind Chaucer s dream poems The Book of the Duchess The Parliament of Fowls The House of Fame and Prologue to the Legend of Good Women Chaucer s dream poems are now being increasingly studied and appreciated With their attractively bookish dreamer figure and their graceful use of conventions and traditions they have their distinctive place in Chaucer s work But the modern reader of these medieval poems particularly needs a sense of their literary context in the tradition of comparable narrative poems largely in Old French which Chaucer knew and drew upon None of these French poems has ever been made available in English translation before and many of the texts are difficult to access being available only in dated French scholarly editions The authors represented are Froissart Machaut and Deschamps as well as some minor and anonymous poems and there are also relevant translations from Cicero and Boccaccio The book gives an idea of what Chaucer s sources were in themselves and in what ways the English poet was inspired to use and go beyond them and this presents a picture of the poet at work Some of the French poems are translated carefully by Chaucer while with other poems he is selectively interested in certain sections of his sources only In further cases the original material can be seen to have provided a more general point of departure for Chaucer s own developments on his work The Dream Visions of Geoffrey Chaucer Geoffrey Chaucer, 2012-12-28 Compiled here are some of Chaucer s shorter poems These poems are all written using the Dream Vision To name a few of these poems The Book of Duchesse The Parliament of Fowls The Legend of Good Women The House of Fame and other short poems

Dream Visions and Other Poems Geoffrey Chaucer, 2007 This Norton Critical Edition presents Chaucer s four dream visions and selected shorter poems and is suitable for both beginning and advanced students **Dream Poetry and Minor Works** Geoffrey Chaucer, 2016-12-11 Before Geoffrey Chaucer wrote his most famous work The Canterbury Tales he attempted several dream visions Book of the Duchess a memorial of Blanche Duchess of Lancaster for her widower John of

Gaunt The Parliament of Fowls the first Valentine's Day poem in English in which the birds gather to choose their mates The House of Fame a literary investigation of fame rumor and reputation The Legend of Good Women a collection of legends or quasi saints lives of women from classical antiquity retold by the fictional Chaucer as a sort of penance for defaming women in his earlier works These works are collected here with twenty one minor poems all of which show the wit and style of one of the world's great artists **Medieval Dream-Poetry** A. C. Spearing, 1976-11-11 This 1976 book is a study of the medieval English dream poem set against classical and medieval visionary and religious writings *The realism of dream visions* Constance B. Hieatt, 2019-01-29 No detailed description available for The realism of dream visions
