

Chaucer AND Fame

REPUTATION AND RECEPTION

EDITED BY ISABEL DAVIS AND CATHERINE NALL

Chaucer And Fame Reputation And Reception Chaucer Studies

Lindsay Ann Reid

Chaucer And Fame Reputation And Reception Chaucer Studies:

Chaucer and Fame Isabel Davis, Catherine Nall, 2015 Fame or fame is a central concern of late medieval literature Where fame came from who deserved it whether it was desirable how it was acquired and kept were significant inquiries for a culture that relied extensively on personal credit and reputation An interest in fame was not new being inherited from the classical world but was renewed and rethought within the vernacular revolutions of the later Middle Ages The work of Geoffrey Chaucer shows a preoccupation with ideas on the subject of fama not only those received from the classical world but also those of his near contemporaries via an engagement with their texts he aimed to negotiate a place for his own work in the literary canon establishing fama as the subject site at which literary theory was contested and writerly reputation won Chaucer's place in these negotiations was readily recognized in his aftermath as later writers adopted and reworked postures which Chaucer had struck in their own bids for literary place This volume considers the debates on fama which were past present and future to Chaucer using his work as a centre point to investigate canon formation in European literature from the late Middle Ages and into the Early Modern period Isabel Davis is Senior Lecturer in Medieval Literature at Birkbeck University of London Catherine Nall is Senior Lecturer in Medieval Literature at Royal Holloway University of London Contributors Joanna Bellis Alcuin Blamires Julia Boffey Isabel Davis Stephanie Downes A S G Edwards Jamie C Fumo Andrew Galloway Nick Havely Thomas A Prendergast Mike Rodman Jones William T Rossiter Elizaveta Strakhov A New Companion to Chaucer Peter Brown, 2019-03-19 The extensively revised and expanded version of the acclaimed Companion to Chaucer An essential text for both established scholars and those seeking to expand their knowledge of Chaucer studies A New Companion to Chaucer is an authoritative and up to date survey of Chaucer scholarship Rigorous yet accessible this book helps readers to identify current debates recognize historical and literary context and to understand how particular concepts and theories affect the interpretation of Chaucer's texts Chaucer specialists from around the globe offer contributions that range from updates of long standing scholarship on biography language women and social structures to original research in new areas such as ideology the afterlife patronage and sexuality In presenting conflicting perspectives and ideological differences this stimulating volume encourages readers to explore additional paths of inquiry and engage in lively and informed debate Each chapter of the Companion organized by issues and themes balances textual analysis and cultural context by grounding the reader in existing scholarship Key issues from specific passages are discussed with an annotated bibliography provided for reference and further reading Compiled with all students of Chaucer in mind this important volume Presents contributions from both established and emerging specialists Explores the circumstances in which Chaucer wrote such as the political and religious issues of his time Includes numerous close readings of selected poems Provides points of entry to a wide range of approaches to Chaucer's works Incorporates original research fresh perspectives and updated additions to Chaucer scholarship A New Companion to Chaucer is a valuable and enduring

resource for scholars teachers and students of medieval literature and medieval studies as well as the general reader interested in interpretations and historical contexts of Chaucer's writings **Shakespeare Studies, volume 45** James R. Siemon, Diana E. Henderson, 2017-12-31 Shakespeare Studies is an annual volume featuring the work of scholars critics and cultural historians from across the globe This issue includes a Forum on the drama of the 1580s from eleven contributors a Next Gen Plenary from four contributors three articles and reviews of sixteen books **Oxford Guides to Chaucer:**

Troilus and Criseyde Barry Windeatt, 2023 A new edition of Barry Windeatt's comprehensive single volume guide to Troilus and Criseyde bringing together a wide range of material and providing a readable commentary on all aspects of the work

Chaucer's Early Modern Readers Devani Singh, 2023-06-22 The first extended study of the reception of Chaucer's medieval manuscripts in the early modern period this book focuses chiefly on fifteenth century manuscripts and discusses how these volumes were read used valued and transformed in an age of the poet's prominence in print Each chapter argues that patterns in the material interventions made by readers in their manuscripts correcting completing supplementing and authorising reflect conventions which circulated in print and convey prevailing preoccupations about Chaucer in the period the antiquity and accuracy of his words the completeness of individual texts and of the canon and the figure of the author himself This unexpected and compelling evidence of the interactions between fifteenth century manuscripts and their early modern analogues asserts print's role in sustaining manuscript culture and thus offers fresh scholarly perspectives to medievalists early modernists and historians of the book This title is also available as open access on Cambridge Core

Chaucer and the Ethics of Time Gillian Adler, 2022-02-15 Geoffrey Chaucer wrote at a turning point in the history of timekeeping but many of his poems demonstrate a greater interest in the moral dimension of time than in the mechanics of the medieval clock Chaucer and the Ethics of Time examines Chaucer's sensitivity to the insecurity of human experience amid the temporal circumstances of change and time passage as well as strategies for ethicising historical vision in several of his major works While wasting time was sometimes viewed as a sin in the late Middle Ages Chaucer resists conventional moral dichotomies and explores a complex and challenging relationship between the interior sense of time and the external pressures of linearism and cyclicity Chaucer's diverse philosophical ideas about time unfold through the reciprocity between form and discourse thus encouraging a new look at not only the characters' ruminations on time in the tradition of St Augustine and Boethius but also manifold narrative sequences and structures including anachronism **The Routledge**

Research Companion to John Gower Ana Saez-Hidalgo, Brian Gastle, R.F. Yeager, 2017-03-31 The Routledge Research Companion to John Gower reviews the most current scholarship on the late medieval poet and opens doors purposefully to research areas of the future It is divided into three parts The first part Working theories medieval and modern is devoted to the main theoretical aspects that frame Gower's work ranging from his use of medieval law rhetoric theology and religious attitudes to approaches incorporating gender and queer studies The second part Things and places material cultures

examines the cultural locations of the author not only from geographical and political perspectives or in scientific and economic context but also in the transmission of his poetry through the materiality of the text and its reception Polyvocality text and language the third part focuses on Gower's trilingualism his approach to history and narratological and intertextual aspects of his works The Routledge Research Companion to John Gower is an essential resource for scholars and students of Gower and of Middle English literature history and culture generally

30 Great Myths about Chaucer Thomas A. Prendergast, Stephanie Trigg, 2020-04-28 The facts and fictions that continue to shape our understanding of Chaucer and his place in literary tradition Is Chaucer the father of English literature The first English poet Was he a feminist A political opportunist A spy Is Chaucer's language too difficult for modern readers 30 Great Myths about Chaucer explores the widely held ideas and opinions about the medieval poet discussing how myths have influenced Chaucer's reception history and interpretations of his poetry through the centuries This unique text offers original insights on the character of Chaucer the nature of his works the myths that inform our conceptions of Chaucer and the underlying causes of these myths Each accessible and engaging chapter focuses on a specific myth including those surrounding Chaucer's romantic life political leanings religious views personal struggles financial challenges ideas about chivalry representations of social class and many others More than simply correcting inaccurate facts or clarifying common misconceptions about Chaucer the text delves deeper to address how the myths have shaped the critical interpretation and enduring literary legacy of Chaucer This innovative volume Explores how generations of readers continue to shape understanding of Chaucer Highlights the intersection of medievalism and Chaucer studies Helps readers detach myths about Chaucer from critical readings of his works Examines whether myths about Chaucer are based on historical fact or literary interpretation Discusses the history of reading Chaucer in contexts of biography criticism and popular culture 30 Great Myths about Chaucer is an indispensable resource for academics researchers graduate students upper level undergraduates and general readers with interest in Chaucer and early English and Middle Ages literature

Father Chaucer Samantha Katz Seal, 2019-09-26 The monograph series Oxford Studies in Medieval Literature and Culture showcases the plurilingual and multicultural quality of medieval literature and actively seeks to promote research that not only focuses on the array of subjects medievalists now pursue in literature theology and philosophy in social political jurisprudential and intellectual history the history of art and the history of science but also that combines these subjects productively It offers innovative studies on topics that may include but are not limited to manuscript and book history languages and literatures of the global Middle Ages race and the post colonial the digital humanities media and performance music medicine the history of affect and the emotions the literature and practices of devotion the theory and history of gender and sexuality ecocriticism and the environment theories of aesthetics medievalism Geoffrey Chaucer has long been lauded as the Father of English Poetry For later authors and scholars the late medieval poet has served as a symbol of male authority and literary paternity upon whom successive centuries of the English

canon may comfortably rest Yet for Chaucer himself the idea of paternity whether poetic or biological was far from stable or reassuring Reading Chaucer's masterpiece *The Canterbury Tales* alongside its theological poetic and scientific contemporaries this book argues that Chaucer was fascinated by the promise offered by metaphors of reproduction paternity and lineage However in the wake of the Black Death Hundred Years War and other demographic crises Chaucer could not help but perceive paternal authority as a transitory uncertain ambition one capable of devastating male authority as surely as it could enshrine it Likewise medieval Christian doctrine taught that the earth was but a temporary sorrowful abode for corrupt mortal men who committed a form of blasphemy by longing for earthly memorializations of their lives Chaucer knew that God had set sharp limits upon man's ability to create with certainty and to determine his own posterity Still what could be more human than the longing to wrest some small authority from one's own flesh This book argues that within *The Canterbury Tales* Chaucer consistently confronted the impossibility of men's desire to see their offspring both biological and poetic last beyond their own deaths to claim the authority simultaneously promised and denied by the very act of creation

Shakespeare's Ovid and the Spectre of the Medieval Lindsay Ann Reid, 2018 A study of how the use of Ovid in Middle English texts affected Shakespeare's treatment of the poet The debt owed by Shakespeare to Ovid is a major and important topic in scholarship This book offers a fresh approach to the subject in aiming to account for the Middle English literary lenses through which Shakespeare and his contemporaries often approached Greco Roman mythology Drawing its principal examples from *The Two Gentlemen of Verona* *The Taming of the Shrew* *Romeo and Juliet* *Lucrece* and *Twelfth Night* it reinvestigates a selection of moments in Shakespeare's works that have been widely identified in previous criticism as Ovidian scrutinising their literary alchemy with an eye to uncovering how ostensibly classical references may be haunted by the under acknowledged spectral presences of medieval intertexts and traditions Its central concern is the mutual hauntings of Ovid Geoffrey Chaucer and John Gower in the early modern literary imagination it demonstrates that Ovidian allusions to mythological figures such as Ariadne Philomela or Narcissus in Shakespeare's dramatic and poetic works were sometimes simultaneously mediated by the hermeneutic and affective legacies of earlier vernacular texts including *The Legend of Good Women* *Troilus and Criseyde* and *the Confessio Amantis* LINDSAY ANN REID is a Lecturer in English at the National University of Ireland Galway

Delve into the emotional tapestry woven by Emotional Journey with in Experience **Chaucer And Fame Reputation And Reception Chaucer Studies** .
