Cheap Books For Kids:

Kids Ain't Cheap Ana Kresina, 2023-10-31 There are so many delightful moments in parenthood That toothy grin The big wet kisses Or even when they whisper I love you in your ear for the first time Those moments are pure magic But kids are also exhausting The poo explosions the sleepless nights the defiant toddler years If you re partnered it can be a strain on your relationship It can also be financially overwhelming Money is one of the leading causes of stress and divorce and it s even more crucial for single parents or carers to be aware of as the sole breadwinner Kids Ain t Cheap is an easy to understand book that helps you prepare financially before you become a parent for the first or second or third time It shows you how to mitigate risk and reduce financial stress From pre pregnancy financial planning to the expensive childcare years and beyond this book gives you the skills to run cost estimates understand your loss of earning potential get your finances in order start investing for your family and set up your children for their own financial success More than anything it gives you the freedom to focus on what is most important to you your family

Handbook of Research on Children's and Young Adult Literature Shelby Wolf, Karen Coats, Patricia Enciso, Christine Jenkins, 2011-04-27 This multidisciplinary handbook pulls together in one volume the research on children s and young adult literature which is currently scattered across three intersecting disciplines education English and library and information science

The ^ACute and the Cool Gary Cross, 2004-04-01 The twentieth century was by any reckoning the age of the child in America Today we pay homage at the altar of childhood heaping endless goods on the young reveling in memories of a more innocent time and finding solace in the softly backlit memories of our earliest years We are the proclamation goes just big kids at heart And accordingly we delight in prolonging and inflating the childhood experiences of our offspring In images of the naughty but nice Buster Brown and the coquettish but sweet Shirley Temple Americans at mid century offered up a fantastic world of treats toys and stories creating a new image of the child as cute Holidays such as Christmas and Halloween became blockbuster affairs vehicles to fuel the bedazzled and wondrous innocence of the adorable child All this Gary Cross illustrates reflected the preoccupations of a more gentle and affluent culture but it also served to liberate adults from their rational and often tedious worlds of work and responsibility But trouble soon entered paradise The cute turned into cool as children following their parental example embraced the gift of fantasy and unrestrained desire to rebel against the saccharine excesses of wondrous innocence in deliberate pursuit of the anti cute Movies comic books and video games beckoned to children with the allures of an often violent sexualized and increasingly harsh worldview Unwitting and resistant accomplices to this commercial transformation of childhood adults sought over and over again in repeated and predictable cycles to rein in these threats in a largely futile jeremiad to preserve the old order Thus the cute child deliberately manufactured and cultivated has ironically fostered a profoundly troubled ambivalence toward youth and child rearing today Expertly weaving his way through the cultural artifacts commercial currents and parenting anxieties of the previous century Gary Cross offers a vibrant and entirely fresh

portrait of the forces that have defined American childhood *No-Sweat Homeschooling* Kelly Wallace,2018-03-14 The decision to home school your kids is one you ll never regret though the path can often be confusing and frustrating I fully believe that homeschooling should be as much fun for you as it is for your children After all you ll be spending many hours each week together learning new things so why make it monotonous stressful or boring Instead with a bit of ingenuity you can turn even the smallest everyday task into a learning opportunity that sticks with your children for life This is what No Sweat Home Schooling is all about I ll cover whole curriculum subjects frugal field trips record keeping fun activities stress and mess busters the Charlotte Mason Method and more I also include a lot of quality online resources I look forward to sharing my experiences and ideas with you **Marketing Your Book to Millions Instantly** Joeseph Anthony,2011-06-01
