Daddy Long Legs The Natural Education Of A Father:

Daddy Long Legs John Price, 2013 Struggling to support his family and cynical about the state of the natural world chronicles the author's efforts to appreciate the good things in life following a heart attack scare including parenthood's unique joys and trials

Pops in Pop Culture Elizabeth Podnieks, 2016-04-29 The definitions of fatherhood have shifted in the twenty-first century as paternal subjectivities, conflicts, and desires have registered in new ways in the contemporary family. This collection investigates these sites of change through various lenses from popular culture, film, television, blogs, best-selling fiction, and non-fiction, stand-up comedy, routines, advertisements, newspaper articles, parenting guide books, and video games. Treating constructions of the father at the nexus of patriarchy, gender, and post-feminist philosophy, contributors analyze how fatherhood is defined in relation to masculinity and femininity and the shifting structures of the heteronormative nuclear family. Perceptions of the father as the traditional breadwinner and authoritarian, as compared to a more engaged and involved nurturer, are considered via representations of fathers from the US, Canada, Britain, Australia, South Africa, and Sweden

Climbing Lessons Tim Bascom, 2020-04-07 When Doc Bascom tries to show his grade school sons how to climb a huge sycamore, he ends up dropping 12 feet flat out on his back. Stunned, he finally gasps, "So that's how it's done." And in that moment, he becomes an emblem for all fathers trying to lead the way, failing, then getting up and trying again. This climbing lesson is just one of 40 playful, sometimes poignant stories by award-winning author Tim Bascom, who illustrates the special bond between fathers and sons and how that relationship must change with time. When Tim takes his own turn at fathering, he realizes that his devoted toddlers are turning into unimpressed teenagers. No longer the hero he had hoped to be, he must accept a new, flawed version of himself, not unlike his father before him. These brief, interlinked stories show that abiding affection can still prevail, bringing fathers and sons closer even as they tackle the steepest parts of the climb

Dirt Barbara Richardson, 2015 Thirty-six artists, scientists, and renowned writers go wild about the virtues, pleasure, and importance of dirt

I'll Tell You Mine Hope Edelman, Robin Hemley, 2015-11-19 The University of Iowa is a leading light in the writing world. In addition to the Iowa Writers Workshop for poets and fiction writers, it houses the prestigious Nonfiction Writing Program (NWP), which was the first full-time masters-granting program in this genre in the United States. Over the past three decades, the NWP has produced some of the most influential nonfiction writers in the country. *I'll Tell You Mine* is an extraordinary anthology, a book rooted in Iowa's successful program that goes beyond mere celebration to present some of the best nonfiction writing of the past thirty years. Eighteen pieces produced by Iowa graduates exemplify the development of both the program and the field of nonfiction writing. Each is accompanied by commentary from the author on a challenging issue presented by the story and the writing process, including drafting, workshopping, revising, and listening to—or sometimes ignoring—advice. The essays are put into broader context by a prologue from Robert Atwan, founding editor of the *Best American Essays* series, who details the rise of nonfiction as a literary genre since the New Journalism of the 1960s.

Creative nonfiction is the fastest growing writing concentration in the country with more than one hundred and fifty programs in the United States I'll Tell You Mine shows why Iowa's leads the way Its insider's view of the Iowa program experience and its wealth of groundbreaking nonfiction writing will entertain readers and inspire writers of all kinds

Skipping Church Suzanne Kelsey, 2021-10-12 Sidelined and derailed That's how Suzanne Kelsey felt three decades ago after her husband of fourteen years announced his decision to become a Methodist minister They were thirty four and had two young sons An independent free thinker who believes in a divine something or other but not organized religion Kelsey values her privacy and likes to settle in and nest She felt her husband was choosing an itinerant public life of commitment to doctrine for both of them Kelsey wanted no part of that strange world In Skipping Church Notes from an Accidental Minister's Wife Kelsey explores what callings are and who gets to claim them whether a life right for one is right for two how to live authentically despite pressures to be different how nature and art can ground us spiritually even if we're not religious and where home is for those who move frequently These musings laced with humor and infused with honesty are accompanied by scenes from Kelsey's life as she gradually made peace with her husband's career decision while forging her own path

To Drink from the Silver Cup Anna Redsand,2020-08-08 Anna Redsand was sixteen when she heard her mother say of two women who d been discovered to be lovers They re living in sin They should see a doctor She knew in that moment that she would have to leave the security and intimacy of family church and home the only world she had ever known As that world faded so too did everything that had been religious or spiritual inside her The journey was to find what she d lost or replace it Was there a faith community that could accept Anna as a lesbian a doubter and someone committed to social justice To Drink From the Silver Cup is the story of Anna Redsand s quest It took her from a devout missionary life in the Navajo Nation into the shame and exile of being unwanted in the homeland and then beyond through the uncharted territory of different religious spiritual and political directions Always striving for authenticity continuing to long for home forty years after taking leave Anna embarked on a deliberate experiment to see if return was possible or whether too much had changed in her and too little in the church In the past most memoirs about conflicts between fundamentalist Christianity and sexuality have been written by gay men Few if any have come to the same resolution that To Drink From the Silver Cup does This is a unique and memorable story with resonance for both seekers and those who have never challenged their held beliefs
