Issues in Online Database Searching Carol Tenopir,1989

Cases in Online Search Strategy Bruce A.

Shuman,1993-09-15 Uses discussion and examination of 60 cases typical reference questions asked in various types of libraries presented as dialogues between the answer seeker and the reference librarian to introduce the fundamental issues involved in online search strategy Annotation copyright by Book News Inc Portland OR *Cases in Online Search Strategy* Bruce A. Shuman,1993-09-15 Uses discussion and examination of 60 cases typical reference questions asked in various types of libraries presented as dialogues between the answer seeker and the reference librarian to introduce the fundamental issues involved in online search strategy Annotation copyright by Book News Inc Portland OR *Scientific and Technical Aerospace Reports* ,1985 Lists citations with abstracts for aerospace related reports obtained from world wide sources and announces documents that have recently been entered into the NASA Scientific and Technical Information Database

Digital Reference Services Linda S Katz,2013-10-31 Extensive data on the theoretical and practical aspects of electronic reference services Digital Reference Services provides an overview of electronic reference services and software and explores the opportunities that real time digital reference services can offer in a variety of library settings Experts in the field convey numerous opinions and theory about the growth of this new approach to answering reference questions This book teaches librarians new methods and techniques for offering technologically advanced reference services to the public The first half of Digital Reference Services includes such topics as real time or live online reference services the historical development of digital reference services and the role of the reference librarian mediated online searches how to create a virtual ready reference collection of elite reference Web sitesincludes a list of the top sites available to the public how to start and operate a digital reference desk in your library The second half of Digital Reference Services covers examples of librariesboth large and smallwhich have used revolutionary ideas to bring electronic reference services to their patrons These ideas include utilizing ATM like kiosks in remote locations from library buildings to connect with underserved populations implementing live interactive web based reference servicesthe challenges and benefits cost training and workload requirements evaluating your real time references servicesinvestigating self assessment and blind reviewing incorporating your assessment into an existing evaluative program and obtaining the administrative support essential for an accurate assessment creating a statewide virtual reference systemselecting software developing policy marketing coordinating the project and staffing and training online reference management for smaller librariesbecause of the smaller staff smaller budget and smaller amount of patrons is it a feasible addition to the library much more This well referenced volume contains case examples figures useful Web sites and case histories to show how the basic principles of digital reference services work Librarians and students of information and library science will find Digital Reference Services a helpful resource to enhance their library and electronic reference expertise Database ,1994 **Expert Searching in**

the Google Age Terry Ann Jankowski, 2016-08-04 How do expert searchers fit into the Google age Is there still a role for them How can you be the best searcher you can be What tools can you use to develop your skills and build better searches These questions and more are covered by Jankowski After making a case for the value librarians can bring to the searching process whether using Google or other databases Jankowski takes you through the entire search cycle and offers a glimpse into the future of searching How do you negotiate a search so that all parties are satisfied How do you decide which resources to use and use them to their best advantage What are the steps to building a good search strategy and how do you adapt and modify it When the results are in how do you manage the results and document the process Filled with tips and tricks gathered from over 40 years of experience Jankowski provides the answers in this conversational yet practical guide In addition to providing checklists and examples throughout the book an entire chapter describes search tools and resources to grow your own expertise Opportunities to apply the knowledge gained are offered in most chapters This compact useful book can be used as a reference text for self study or as a course text

Librarian's Guide to Online Searching Christopher C. Brown, 2021-06-18 Updates the premier textbook for students and librarians needing to know the landscape of current databases and how to search them Librarians need to know of existing databases and they must be able to teach search capabilities and strategies to library users This practical guide introduces librarians to a broad spectrum of fee based and freely available databases and explains how to teach them The updated 6th edition of this well regarded text covers new databases on the market as well as updates to older databases It also explains underlying information structures and demonstrates how to search most effectively It introduces readers to several recent changes such as the move away from metadata based indexing to full text indexing by vendors covering newspaper content Business databases receive greater emphasis As in the previous editions this book takes a real world approach covering topics from basic and advanced search tools to online subject databases Each chapter includes a thorough discussion a recap concrete examples exercises and points to consider making it an ideal text for courses in database searching as well as a trustworthy professional resource

Single Case Research Methodology Jennifer R. Ledford, David L. Gast, 2014-03-26 In this anticipated new edition of Single Case Research Methodology David L. Gast and Jennifer R. Ledford detail why and how to apply standard principles of single case research methodology to one's own research or professional project Using numerous and varied examples they demonstrate how single case research can be used for research in behavioral and school psychology special education speech and communication sciences language and literacy occupational therapy and social work This thoroughly updated new edition features two entirely new chapters on measurement systems and controversial issues in single subject research in addition to sample data sheets graphic displays and detailed guidelines for conducting visual analysis of graphic data This book will be an important resource to student researchers practitioners and university faculty who are interested in answering applied research questions and objectively evaluating educational and clinical practices

INFORMATION

SOURCES, SERVICES AND SYSTEMS GURDEV SINGH, 2013-01-10 Reference and information services are considered an important activity of a modern library. This comprehensive and student friendly book discusses in detail different types of information and reference sources and services such as encyclopaedias, directories, yearbooks, dictionaries, geographical sources, biographical sources, statistical sources and handbooks. The book is organised into four parts. Part I deals with various types of information sources such as documentary and non documentary sources. Part II discusses different types of reference services, organisation of reference section and the role of the librarian in the digital age. Part III describes the wide range of information service such as Current Awareness Service (CAS) and Selective Dissemination of Information (SDI). Part IV provides an overview of important information systems such as National Information System for Science and Technology (NISSAT) and International System for Agricultural Science and Technology (AGRIS). The book is intended for the undergraduate and postgraduate students of library science. Besides it will also be very useful for librarians, information scientists and information professionals.

Salient Features: Deals with both theoretical and practical aspects of information sources and services. Discusses various types of information sources and services keeping in view the latest trends and developments in the field. Presents the concepts related to information sources and services in a systematic and accessible way.

Cases In Online Search Strategy Database Searching Introduction

In the digital age, access to information has become easier than ever before. The ability to download Cases In Online Search Strategy Database Searching has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Cases In Online Search Strategy Database Searching has opened up a world of possibilities. Downloading Cases In Online Search Strategy Database Searching provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Cases In Online Search Strategy Database Searching has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Cases In Online Search Strategy Database Searching. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Cases In Online Search Strategy Database Searching. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Cases In Online Search Strategy Database Searching, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Cases In Online Search Strategy Database Searching has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Cases In Online Search Strategy Database Searching Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Cases In Online Search Strategy Database Searching is one of the best book in our library for free trial. We provide copy of Cases In Online Search Strategy Database Searching in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Cases In Online Search Strategy Database Searching. Where to download Cases In Online Search Strategy Database Searching online for free? Are you looking for Cases In Online Search Strategy Database Searching PDF? This is definitely going to save you time and cash in something you should think about.
