Chasing Shadows Sue Parker,2015-01-08 It is often said life is at its cruelest when a parent outlives his or her child As unnatural as that may seem many parents find themselves in that position Whether caused by disease illness accident crime or suicide parents can find themselves making funeral arrangements rather than planning a childs birthday party graduation or wedding Author Sue Parker knows firsthand what that is like In Chasing Shadows A Mothers Attempt to Process Her Grief Parker shares her experiences after the death of her youngest child For much of 2012 Rowan said he wouldnt live to see 2013 After all the Mayan calendar ended on December 22 2012 so he reckoned everyone was going to die Rather than dwell on the negativity

he grabbed every opportunity with enormous enthusiasm including a quad bike ride that cost him his life on Boxing Day Bereft heartbroken in a state of total shock and struggling to survive Parker felt she had two choices She could follow him over a cliff or try to make some sense of the tragic turn her familys lives had taken Everyones experiences are different but in Chasing Shadows A Mothers Attempt to Process Her Grief those going through similar circumstances may find help in knowing what to do next how to go forward Youll discover the path forward is not always easy and there will likely be times when you find yourself wondering Why bother Through her experience Parker shows you can go on and you should

Chasing Shadows Phyllis Eickelberg, 2013-11-27 Heather Samuelson is moving through the supermarket checkout line when she encounters her Aunt Myrtle worrying that her friend Anna has not returned from a jaunt across the store for free coffee Moments later Heather sets out on a search for Anna that takes her straight into a pitch black storeroom and a gruesome murder scene With one man dead and her aunts friend on her way to the hospital Heather is once again plunged into circumstances beyond her control as she tries to discover who killed Michael Santiam and wonders whether the murderer plans to return to finish off her aunts friend Determined to solve the puzzle before her upcoming wedding Heather partners with the police department and her fianc detective Jazz to search for the identity of Anna whose memory only goes back two years Just when she is getting somewhere Anna suddenly disappears from her hospital bed Now Heather must determine if Anna is being held captive or if someone is protecting her and if or how the recent turn of events ties into a murder committed twenty years earlier In this brain teaser mystery an amateur sleuth immersed in a complex investigation to solve a murder must find the link between the past and present before a killer strikes again **Chasing Shadows** Rodney Allen Fletcher, 2015-09-28 Nicholas Beems entire world was rocked to its core the moment he received the phone call Now back in Chicago he must deal with a life or death situation while trying to piece together exactly how something of this magnitude could happen It s during this time that he learns just how invaluable Jared Gruesbeck continues to be in life even though he and Jared are no longer romantically involved with one another Both Nicholas and Jared discover that what they ve managed to salvage from the remnants of their failed relationship is something far more than either of them could ever have hoped to gain Logan Griffins life is slipping out of his control His relationship with Phillip Caldwell has fallen by the wayside because of his obsession with a man he hasn t seen since college Accusations of him falsely accusing a man on the run are beginning to take hold and now there is a new detective on the force that is shadowing his every move to learn the ropes of how the FWPd operates He doesnt see how things can get much more complicated But then while investigating a robbery Logan makes a rash decision based on personal feelings and everything that he has worked for in his career is put on the line James Bennett thought that he had everything under control when he decided to reveal to Gregory what he had learned in North Carolina he couldn t have been more wrong It is crystal clear to him now more than ever before in this ongoing game of cat and mouse that he is no longer in control of his own destiny While Michelle Moran is poised to take out the one that he

loves the most should he not follow her every instruction James is blind sided by a phone call that will prove to change the way he looks at life and the way he lives life forever Chasing Shadows is the 4th book in the Closer Than You Think series As its predecessors have done Chasing Shadows continues to draw you further into the lives of those characters that you have come to cherish just as you do members of your own family Through joy sorrow triumph and tragedy their stories continue to play out Logan Phillip Nicholas Jared Gage James and Tom along with countless others whom have come into your lives continue to face life s adversities with courage and strength searching for the ultimate goal Happiness Chasing Shadows Ken Hughes,2014-07-29 The break in at Watergate and the cover up that followed brought about the resignation of Richard Nixon creating a political shockwave that reverberates to this day But as Ken Hughes reveals in his powerful new book in all the thousands of hours of declassified White House tapes the president orders a single break in and it is not at the Watergate complex Hughes s examination of this earlier break in plans for which the White House ultimately scrapped provides a shocking new perspective on a long history of illegal activity that prolonged the Vietnam War and was only partly exposed by the Watergate scandal As a key player in the University of Virginia s Miller Center Presidential Recordings Program Hughes has spent more than a decade developing and mining the largest extant collection of transcribed tapes from the Johnson and Nixon White Houses Hughes s unparalleled investigation has allowed him to unearth a pattern of actions by Nixon going back long before 1972 to the final months of the Johnson administration Hughes identified a clear narrative line that begins during the 1968 campaign when Nixon concerned about the impact on his presidential bid of the Paris peace talks with the Vietnamese secretly undermined the negotiations through a Republican fundraiser named Anna Chennault Three years after the election in an atmosphere of paranoia brought on by the explosive appearance of the Pentagon Papers Nixon feared that his treasonous and politically damaging manipulation of the Vietnam talks would be exposed Hughes shows how this fear led to the creation of the Secret Investigations Unit the White House Plumbers and Nixon s initiation of illegal covert operations guided by the Oval Office Hughes s unrivaled command of the White House tapes has allowed him to build an argument about Nixon that goes far beyond what we think we know about Watergate Chasing Shadows is also available as a special e book that links to the massive collection of White House tapes published by the Miller Center through Rotunda the electronic imprint of the University of Virginia Press This unique edition allows the reader to move seamlessly from the book to the recordings expertly rendered transcripts and to listen to audio files of the remarkable and occasionally shocking conversations on which this dark chapter in American history would ultimately turn **Chasing Shadows** Cat Jameson,2025-03-03 When public defender Annie O Toole is assigned to defend the teen charged with shooting businessman Michael Grayson she s adamant the bigshot billionaire will get no special treatment from her Except he already has as she finds out when the sexy stranger she seduced at the Justice for All Ball shows up for his deposition in the biggest case of her career She s horrified He s furious He thinks she set him up She thinks he s an arrogant ass in an expensive suit Sparks

intrigue and bullets fly in a mix of swoon and suspense as the wary one night lovers investigate each other and the case between them All Annie has to do is solve the case plus save her client her career and the life of the man whose lifestyle she despises but whose touch she can't forget **Chasing Shadows** Clifford Patrick Hall, 2021-10-29 Karl is a survivor The night bombings of Dresden when he was a child still haunt him to this day The terrible whistling sound as the bombs fell through the sky His mother held him tightly while covering their heads with a heavy blanket Their windows were blown out as bombs exploded around them That's why he didn't flinch when first confronted by the notorious Nazi criminal in Santa Catarina Brazil This is different as he looks directly into the soulless eyes of this man who has killed hundreds at Auschwitz and is now pointing the pistol directly at him
