Great Women Mystery Writers Elizabeth A. Blakesley, 2006-11-30 Mysteries are among the most popular books today and women continue to be among the most creative and widely read mystery writers This book includes alphabetically arranged entries on 90 women mystery writers Many of the writers discussed were not even writing when the first edition of this book was published in 1994 while others have written numerous works since then Writers were selected based on their status as award winners their commercial success and their critical acclaim Each entry provides biographical information a discussion of major works and themes and primary and secondary bibliographies The volume closes with appendices and a selected general bibliography Public library patrons will value this guide to their favorite authors while students will turn to it when writing reports

Ninjitsu for Women Ashida Kim, 2000 Showing how women are getting their kicks nowadays this guide instructs on how to defend against any attacker and how to distract disable disarm and then disappear 150 illustrations

Early Christian Widows and their Social-economic Situation, Support, and Contribution to the Church Rebekah Yurong Zhao, 2025-10-02 In the first consideration of widows in early Christianity Rebekah Yurong Zhao explores the social economic situation of widows their means of support and their contributions to the church Through literary analysis of three different genres of early Christian texts narrative instruction and apologetic texts Zhao argues that historical conclusions can be drawn especially when set against the cultural backgrounds in both the Roman world and ancient Judaism By exploring the situation for widowed women in these cultures and analysing significant texts from the first two centuries of the church including 1 Timothy the Shepherd of Hermas Ignatius Polycarp Tertullian and the Apologists Zhao seeks to answer three key questions what status did widows hold in early Christian society who precisely comprised their support network and what contributions did they make to the church Ultimately this volume examines how support for widows became an iconic practice in early Christianity whilst also dispelling the stereotype of the widow as merely a passive recipient of care

Dangerous Liaisons Claudia Moscovici, 2011-11-15 What do Scott Peterson Neil Entwistle and timeless literary seducers epitomized by Don Juan and Casanova have in common They are charismatic glib and seductive men who also embody the most dangerous human qualities a breathtaking callousness shallowness of emotion and the incapacity to love In other words these men are psychopaths Unfortunately most psychopaths don't advertise themselves as heartless social predators They come across as charming intelligent romantic and kind Through their

believable mask of sanity they lure many of us into their dangerous nets Dangerous Liaisons explains clearly what psychopaths are why they act the way they do how they attract us and whom they tend to target Above all this book helps victims find the strength to end their toxic relationships with psychopaths and move on stronger and wiser with the rest of their lives

Women's Rights in Democratizing States Denise M. Walsh, 2010-11-15 This study offers an explanation for why advances in women's rights rarely occur in democratizing states Drawing on deliberative theory Denise Walsh argues that the leading institutions in the public sphere are highly gendered meaning women's ability to shape the content of public debate and put pressure on the state to advance their rights is limited She tests this claim by measuring the openness and inclusiveness of debate conditions in the public sphere during select time periods in Poland Chile and South Africa Through a series of structured focused comparisons the book confirms the importance of just debate for securing gender justice The comparisons also reveal that counter publics in the leading institutions in the public sphere are crucial for expanding debate conditions The book concludes with an analysis of counter publics and suggests an active role for the state in the public sphere

Women's Words Mona Ozouf, 1997 French historian Mona Ozouf argues that French feminism lacks the rancor and resentment of its counterpart in America and explains why this placid brand of feminism is uniquely French Ozouf portrays ten French women of letters whose lives span the period from the eve of the French Revolution to the resurgence of the feminist movement in the late 20th century
